RE: PUBLIC RECORDS REQUEST of June 09, 2026, Reference # F000390-060926.
Dear Founder David Gaus,

The Illinois State Board of Education received a public information request from you on June 09, 2026. You have requested:

"Dear Freedom of Information Officer,

Pursuant to the Illinois Freedom of Information Act (5 ILCS 140), I request copies of the following public records maintained by the Illinois State Board of Education:

1. The Teacher Salary Study (TSS) data file for each school year from 2012-13 through 2025-26, in the original Microsoft Excel format in which the files were created or previously published, including any column header key or data dictionary sheets contained in or accompanying the files. For reference, these are the same files in the format ISBE previously published on its website (e.g., "teacher_salary_data_11-12.xlsx").

2. The EIS-derived administrator and teacher salary and benefits data sets compiled pursuant to 105 ILCS 5/10-20.47 and 5/34-18.38, for each school year from 2017-18 through 2025-26, in Excel or CSV format, including any accompanying file layout or data element documentation. For reference, data sets

of this type were previously published on ISBE's Educator Employment Information webpage as the "2018–2024 EIS Salary Data Sets."

Commercial purpose disclosure: In accordance with 5 ILCS 140/3.1, I disclose that these records are requested for a commercial purpose. The data will be used by my company to develop compensation benchmarking and analysis tools for Illinois school districts and related stakeholders.

I request these records in electronic format, delivered by email or download link; no paper copies are needed. If any portion of this request is denied, please cite the specific exemption relied upon and release all reasonably segregable non-exempt portions. If any anticipated fees apply, or if you believe the request can be narrowed to reduce burden while still providing the data files described, please contact me before processing and I will be glad to discuss scope.

Thank you for your assistance.

The Illinois State Board of Education has reviewed its files and has located information responsive to your request at the following link: <https://www.isbe.net/Pages/Data-Analysis-Reports.aspx>. Please see the Teacher Salary Study header for all years 2011-current, and EIS salary data sets can be found under the header "Educator Employment Information". Please note SY2026 data will not be finalized or available until November 2026 and will be published at the link above once available.

If you have questions, please contact ISBE's Data Strategies Department at datahelp@isbe.net.
