Rock Falls Township High School District #301 STUDENT PARKING CONTRACT 2025-2026

Please read and follow all directions before signing this contract.

I understand students are permitted to park in a school district location as a matter of privilege, not of right. Violations of the Rock Falls Student Handbook or Law may revoke this privilege at any time and the student will be required to return the parking permit upon request without a refund. Students must also understand that school administration may conduct routine inspections of the exteriors of motor vehicles. In addition, the interiors of motor vehicles in school district locations may be searched when school officials have a reasonable suspicion that the search will uncover a violation of law and/or school policy. **ALL PRIOR YEAR FEES MUST BE VERIFIED AS PAID BY THE MAIN OFFICE PRIOR TO ISSUING A PARKING PERMIT AND ALL DETENTIONS MUST BE SERVED!!**

I understand the cost of a parking permit is \$30.00 per academic school year. **No refunds** will be issued to students who transfer or lose their parking privileges due to infractions of law and/or school policy. Examples for loss of parking privileges include but are not limited to:

1. Reckless driving (speeding, squealing tires, erratic driving, etc.)
2. Possession of drugs or drug paraphernalia
3. Vandalism of school or other persons property and/or vehicle
4. Failure to display parking permit properly.
5. Parking in another student's parking spot.

I hereby agree to the terms and conditions outlined in this contract:
