a. -Moved by Stevenson and seconded by Brown

Aye: Ludwig, Rich, Sancken, Bunting, Brown, and Johnson

Motion carried 6-0

Superintendent's Report

- Mr. Doughan had Farnsworth Group come out to give a quote for a more secure entrance to the building
- The fire escapes have passed all inspections
- The new COVID-19 relief package allocated grants for school districts and we will receive \$94,000.00. These funds can be used to supply PPE, supplemental technology, or salaries for additional staff if needed. The previous relief package monies were used for new chromebooks, teacher laptops, and PPE.
- Negotiations between the Saunemin Elementary School Board and the Saunemin Elementary Teacher Union for the Collective Bargaining Agreement have gone very well and the specifics of this will be discussed in closed session.
- Denny Rich will be starting on the wiring to finish the air conditioning project during Spring Break and will return in the summer to finish the project completely so all classrooms will be air conditioned for the fall of the 2021-2022 school year.
- May 18th will be utilized as a remote planning day for staff only to make up the snow day that we had last month
- 13 staff members have received both doses of the COVID-19 vaccination
- Pre-K will be out of quarantine and able to return to in-person instruction on March 8th, 2021
- The Federal Government has mandated that all school districts administer the IAR (Illinois Assessment of Readiness) despite the Governor's request to be exempt from the testing this year. The window to administer the assessment is March 15, 2021 and our students will be tested later in the Spring
- Girl's Basketball in Odell was able to start practices March 8th, 2021, however, since our volleyball team is still in their season practices will not start until volleyball is over.
- Track practice will begin this month once volleyball is done with their season, we currently have 28 students signed up to participate.

Dean of Students/Athletic Director

- None
