Other Association meetings will be subject to Superintendent approval. This privilege will be subject to the same terms and conditions as other groups using the facilities.
- B. The Association shall be allowed to use business equipment, faculty mailboxes, inter-school mail, and designated bulletin boards for the purpose of internal communication. The Association must furnish its own supplies. Should a conflict occur in the usage of business equipment between the Association and the educational process, the educational process will have precedence.

4.2 BOARD MEETING NOTES

The notice shall include the nature of the waiver application to be considered. The Association may provide written input concerning the waiver application. This should be presented to the Superintendent of Schools 15 days prior to the date of the planned adoption of the waiver application. This in no way takes authority away from the School Board for developing or applying for a waiver to the School Code.

ARTICLE V
GRIEVANCE PROCEDURE

5.1 DEFINITIONS

- A. Any claim by the Association, an employee, or group of employees that there has been an alleged violation, misrepresentation, or misapplication of the terms of this agreement shall be processed as a grievance.
- B. All time limits shall consist of weekdays.
- C. A grievant may be accompanied by a representative from the Association.

5.2 STATEMENT OF BASIC PRINCIPLES

- A. Every employee covered by this agreement shall have the right to present grievances in accordance with these provisions. Nothing contained in this Article or elsewhere in this agreement shall be construed to prevent any individual employee from discussing a problem with the administration and having it adjusted without intervention or representation of Association representatives. The parties hereto acknowledge that it is usually most desirable for an employee to resolve problems through free and informal communications with the immediately involved supervisor.
- B. The failure of a grievant or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- C. Hearings and conferences with employees related to the grievance being considered under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held insofar as possible, after regular school hours or during non-working time of personnel involved. When the Board, Administrator, and Arbitrator agree to schedule such hearings and conferences during school hours, all employees whose presence is required shall be excused, without loss of pay, for that purpose.

5.3 PROCEDURES

- A. First step. An attempt shall be made to resolve any grievance in informal, verbal discussion between grievant and his/her immediate supervisor.
- B. Second step. If the grievance cannot be resolved informally, the grievant shall file the grievance in writing within ten (10) days of the occurrence of the event. The written grievance should state the nature of the grievance, shall note the specific clause or clauses of the agreement allegedly violated, and shall state the remedy requested. The immediately involved supervisor will arrange for a meeting to take place within ten (10) days after receipt of the grievance with the grievant and a local Association representative if desired. The immediate supervisor who has authority to make a decision on the grievance shall make such decision and communicate it in writing to the grievant and Superintendent within ten (10) days after the second step meeting with the employee.

5.3 PROCEDURES (Continued)

- C. Third step. In the event a grievance has not been satisfactorily resolved at the second step, the grievant shall file, within ten (10) days of the immediate supervisor's written decision or answer at the second step, a copy of the grievance with the Superintendent. The aggrieved employee may send a copy of such grievance to the Association president. Within ten (10) days after such written grievance is filed, the aggrieved, a representative of the aggrieved as desired, the Director of Buildings and Grounds, and the Superintendent, or his designee, shall meet to resolve the grievance. The Superintendent or his designee shall file an answer within ten (10) days of the third step grievance meeting and communicate it in writing to the grievant, the immediate supervisor, and the Association president.
- D. Fourth step. If the Association is not satisfied with the disposition of the grievance at Step three, the Association may submit the grievance to final and binding arbitration through the American Arbitration Association, which shall act as the administrator of the proceedings. If a written demand for arbitration is not filed within ten (10) days of the date for the step three answer, then the grievance shall be deemed withdrawn. The arbitrator shall consider and decide only the specific issues submitted to him or her in writing.
- E. Bypass to Superintendent. If the Association and the Superintendent agree, Step two of the grievance procedure may be bypassed and the grievance brought directly to Step three.
- F. Board-Administration Cooperation. The Board and the Administration shall cooperate with the Association in collecting data, provided there are no excessive costs in time or money.
- G. Grievance Withdrawal. A grievance may be withdrawn at any level without establishing past practice and/or precedent.
- H. Bypass to Arbitration. If the Superintendent and the Association agree, a grievance may be submitted directly to Arbitration.
- I. Filing of Materials. A grievance shall be filed separately from the personnel files of the employees.

ARTICLE VI JOB SECURITY

6.1 DEFINITION OF SENIORITY

Seniority shall be the length of continuous service with the School District beginning with the date of regular full or part-time employment in the District. Seniority for part-time employees shall be on a pro-rated basis.

If an employee moves from part time to full time, seniority on the full time list shall be granted on a pro rated basis. Based on the following formula; number of hours per day times number of days worked per year divided by 2080 (number of full time hours per year) equals the number of years credited, e.g., A four hour employee scheduled to work 180 days having worked two years, would receive .69 years credited from the date he or she was hired on to full time. If a part-time employee is hired as full time, the pro rated date shall be used in figuring their seniority.

6.2 SENIORITY LISTS

- A. Each year the Board shall develop seniority lists for the CMA bargaining unit employees. The two categories shall be full-time and part-time. Separate seniority lists will be maintained for each category.
- B. On or before February first of each year, the Board shall post and provide the Association president a copy of the official district seniority list. The Association will have until March 1 to file corrections to the seniority list.
- C. If a reduction in force occurs, no full-time employee who has completed the period of probation as defined in Section 6.4 will be laid off until all part-time employees have been laid off. Full time employees shall be laid off according to seniority beginning with the least senior employee.

- D. Employees who are promoted or transferred out of the bargaining unit and subsequently returned to the bargaining unit without a break in service shall have their seniority computed from their first day of original employment but will not be credited with seniority credit for the time spent outside the bargaining unit.

6.3 SUBCONTRACTING

No member of the bargaining unit will suffer a loss in employment for the duration of this Agreement due to a decision on the part of the Board to subcontract work.

6.4 JUST CAUSE DISMISSAL

All new employees must serve a period of probation for the first 60 full days of worked employment. Full days for part-time employees shall be on a pro-rated basis. No employee who has completed the period of probation will be dismissed or suspended except for just cause.

- B. The Board shall grant each full-time employee two (2) full days of personal leave at full pay each year. Each part-time employee shall be entitled to personal leave on a pro-rated basis. Personal leave shall be taken in increments of half or whole days. The employee must contact the Director of Buildings and Grounds and complete the request for personal leave at least two (2) days prior to the day being requested. In an emergency, the request may be made at a later time and must include an explanation of said emergency. The day immediately preceding or following a legal holiday or school recess shall not be requested as a personal leave day, except in the case of emergency, then the employee may request special permission from the Superintendent.

- C. Employees can have up to four (4) days of personal leave available. At the end of each contract year, personal leave in excess of two (2) days will be added to unused accumulated sick leave.
- D. Personal leave shall not include participation in a work stoppage.

7.4 LEGAL APPEARANCE

Employees called to serve as jurors in a court of law or subpoenaed to appear in court on school related matter, shall be excused from duty without loss of pay or benefits provided the employee reimburses the Board for any pay received from the jury duty or subpoena.
