PREAMBLE

The Board of Education of Milne-Kelvin Grove Elementary School District 91 and the Lockport District 91 Teachers' Association believe the primary function of the Board and its professional staff is to give each child attending our schools the maximum opportunity for educational growth and achievement. The Board and Association believe that the objectives of the educational program are realized to a high degree when mutual understanding, cooperation, and effective communication exist between the Board, Administration, and the certified teaching staff.

ARTICLE I - RECOGNITION

1.1 Recognition

The Board of Education of District 91, (hereinafter referred to as the "Board") recognizes the Lockport District 91 Teachers' Association, IEA-NEA (hereinafter referred to as the "Association") as the sole and exclusive bargaining representative for all certified teachers, including certified school librarians, social workers, school counselors, and speech/language pathologists (hereinafter referred to as the "Teacher" or "Employee"), but excluding the Superintendent, Principals, Assistant Principals, Technology Coordinators, Curriculum Coordinators, School Psychologist, support staff, part-time positions (less than half-time), extracurricular positions not held by bargaining members and all supervisory, managerial and confidential employees as defined by the Illinois Educational Labor Relations Act.

1.2 Association

The Board agrees not to negotiate with any teachers' organization other than the "Association" for the duration of this agreement.

The Board reserves the right to talk individually with any teacher who wishes to approach the Board.

The Association agrees that the Board retains and reserves unto itself all powers and duties conferred upon and vested in it by the statutes of the State of Illinois.

Teachers shall have the right to or not to organize, join, and assist the Association, to participate in negotiations with the Board, through representatives of their own choosing, for the purpose of establishing, maintaining, protecting or improving conditions of professional service.

1.3 Negotiation Start Date

Negotiations for a successor agreement will begin no later than January of the final fiscal year of this agreement. Listed non-economic items for negotiations will be mutually exchanged by the Board and the Association at the initial bargaining meeting, unless otherwise agreed upon by both the Board and the Association.

ARTICLE II - TEACHER AND ASSOCIATION RIGHTS

2.1 Just Cause for Dismissal

If the legislature abolishes contractual continued service and the due process provisions attendant thereto, no teacher with four (4) or more consecutive years of full-time experience with the School District shall be dismissed without just cause. This provision shall apply to termination only.

2.2 Fair Practices

The Board and the Association shall continue not to discriminate against a teacher for reasons of race, creed, color, marital status, age, sex, or national origin, membership or participation in, or non-membership or non-participation in the Association.

2.3 Personnel File

A. CONDITIONS

The District shall maintain, at the District Office, one official personnel file for each teacher.

B. RIGHT TO RESPOND

No record of discipline shall be placed in an Employee's personnel file without the opportunity for the Employee to sign for verification or receipt. A signature does not indicate agreement with the contents of the record, only receipt of it. The Employee shall have the right to respond to any material, within 30 days, which is entered into his/her personnel file and shall be attached to the file.

C. RIGHT TO EXAM

With an Administrator, or designee, present, the Employee shall have the right to examine his/her official personnel file. Every effort will be made to have this viewing occur within two (2) working days of the written request (A). The Employee shall also have the right to have a representative of the Association present during such a review.

D. RIGHT TO REPRODUCE MATERIALS

Within five (5) working days of the request, the Employee may request one copy, at no cost, material in his/her file that the employee has the legal right to see. Additional copies will also be supplied within five (5) working days of such request at the current FOIA rate.

E. RIGHT TO GRIEVE MATERIALS

In the event any file materials are determined to be inaccurate or unfair by legal or grievance proceedings, such portion of materials will be removed from the Employee's file.

F. RIGHT TO REQUEST REMOVAL OF MATERIALS FROM FILE

An employee shall have the right to request, in writing, the removal of items from their official personnel file that are at least thirty-six (36) months old. Within five (5) working days after receipt of Employee's written request, Administration will provide a written response to the employee request. Performance Evaluations are exempt from the removal procedures.

2.4 School Code Rights

Whenever any rights or benefits accorded teachers or the School Board under the School Code of the State of Illinois or under other laws and regulations exceed the benefits accorded the Parties elsewhere in the Agreement, then such rights and benefits shall be incorporated into and become a part of this Agreement.

2.5 Academic Freedom

Teachers seek to educate young people in the democratic tradition, to foster recognition of individual freedom and social responsibility, to inspire meaningful awareness of and respect for the Constitution and Bill of Rights of the United States and the Constitution of the State of Illinois, and to instill appreciation of the values of individual personality. It is recognized that these democratic values can best be transmitted in an atmosphere which meets the contemporary community standards and is free from restrictive censorship and artificial restraints. Inquiry and learning for teacher and students is encouraged.

It is the intent of the Board and the Association to assure that teachers enjoy academic freedom in the District. Academic freedom shall mean the freedom of teachers to present instructional materials which are pertinent to the subject and level taught and within the planned instructional program, as determined by normal teacher and administrative procedures and as subject of ultimate approval by the Board of Education.

Academic freedom shall also mean that teachers shall be entitled to freedom of discussion with the classroom on all matters under study which are relevant to the subject, assuming that this discussion shall be maintained within the outlines of appropriate course content and be pedagogically justifiable.

2.6 Dues Deduction

District 91 will make payroll deductions upon written request by the teacher for Association dues, Canals and Trails Credit Union, and annuity plans.

2.7 Meetings, Notice, and General Information

The Association shall not unreasonably be denied requests for the following:

1. The use of school buildings for meetings before and after regular school hours.
2. The reasonable use of employee mailboxes, interschool mail, and faculty lounge bulletin boards for the purpose of internal communications.
3. The use of school equipment, i.e., copiers, computers with permission of the superintendent, principal, or superintendent delegate.

2.8 Board Meetings and Minutes of Meetings

Board meeting schedule and agenda will be posted on the District website, as well as minutes of all meetings. If not posted, copies of the regular meeting schedule and minutes of the meeting will be emailed to the Association President as soon as available, and agendas for regular meetings will be e-mailed at least forty-eight (48) hours prior to the meeting.

Notices of special meetings of the Board, including agenda for the meeting, will be given to the Association President at least forty-eight (48) hours prior to the meeting, in writing or by e-mail. Notice of any emergency meeting will be given to the Association President verbally or by e-mail as soon as available.

2.9 Expenses for Use of Materials

Teachers shall twice yearly submit to the Superintendent a list of materials consumed on behalf of the Association. Cost of materials shall be determined and assessed. In addition, if equipment used is damaged, the Association shall pay for its repair.

2.10 403 (b) Plans

Employees may participate in a tax deferred annuity through payroll deductions with vendors whose authorization is included in the District's plan.

2.11 Posting of Vacancies

"Days" for the purpose of this section is defined as days in which the District Office is open for business.

A "vacancy" is a new or unfilled full-time or part-time bargaining-unit position, including extra-curricular and summer school positions, but not including positions which will be offered to tenure teachers dismissed due to reduction-in-force or to teachers returning from leave.

The Administration will post notices of vacancies on the employee bulletin boards, on the District's website, and email all district staff via district email through the school year including summer months. Vacancies shall be posted internally for seven (7) calendar

days before being filled except when the vacancy must, in the opinion of the Superintendent, be filled sooner for educational program reasons. For any vacancy during the summer months occurring after June 15th, the district may post both internally and externally simultaneously and notify via school email to all district staff.

Any teacher may apply for a teaching/licensed vacancy and may be granted an interview for that vacancy. Regardless of whether a teacher is interviewed, if the teacher is not hired to fill the teaching/licensed vacancy, the teacher may request a conference with the responsible administrator. The Board/Administration retains the sole authority to determine which candidate within or outside the bargaining unit should fill the position or whether the vacancy should be filled or not.

ARTICLE III - EMPLOYMENT CONDITIONS

3.1 School Calendar

The Board shall adopt annually a school calendar based upon the recommendations of the Superintendent and the School Code.

The calendar, previous to presentation to the Board, will be discussed with the Association and their input solicited.

3.2 Teacher Work Day

The teacher workday is from 8:05am to 3:25pm, a total of seven hours and twenty minutes.

A minimum of one planning period a day will be provided to each teacher. The Board and Superintendent will strive to provide as much professional planning time for teachers as possible each year.

It is understood that due to a daily bell schedule being followed at grades 6-8, precise duplication of junior high and elementary planning minutes may not always be possible.

A duty-free lunch period of no less than thirty (30) minutes or the same amount of time allotted for students, whichever is greater, shall be provided for the teachers.

3.3 Teaching Load and Class Size

At Kelvin Grove, the teachers' actual classroom teaching shall not exceed 305 minutes per day. A supervised study period shall be considered a teaching period or a lunch/recess supervisory assignment for purpose of this Article. The Board further agrees to maintain the lowest reasonable teacher-pupil ratio possible in the District.

3.4 Notification of Assignments

Before a change in teacher assignment is made, a conference between the teacher and appropriate administrator will be held. Involuntary assignments resulting in different teaching situations from those currently held will be designated by May 1 whenever possible. A different teaching assignment shall mean a change in 1) grade level, 2) subject area, and/or 3) building assignment.

3.5 Involuntary Reassignments

If, in the opinion of the administration, the involuntary reassignment of teachers becomes necessary, notice of transfer shall be given to the teacher to be transferred as soon as possible. The teacher who is to be transferred shall be given the opportunity to meet with the appropriate administrator to review the reason for the transfer.

3.6 Pupil Problems

Teachers shall be responsible for classroom management and the maintenance of discipline within the classroom as part of their professional obligations. The Administration will consult with the teachers having repeated difficulties in the areas of classroom management and/or maintenance of discipline, and make recommendations for improvement, when appropriate.

3.7 Early Release Before Holiday

If the calendar does not allow for a full day off prior to Thanksgiving Day, one-hour early release will be given.

3.8 Grading and Entering Grades in Electronic Gradebook

Assessments and assignments are given to determine how well students are progressing through the curriculum. In addition, teachers should use assessment results to guide their instruction. It is expected that assessment results are available to students and parents in grades 4 through 8 (via the parent portal). Assessment grades, in grades K-8, must be calculated and entered into the electronic gradebook by the end of the third teacher attendance day after the assessment is given. Assignments which are graded should be entered into the electronic gradebook within a timely fashion.

3.9 Communications with Parents/Guardians

Teachers will maintain, at a minimum, weekly communications with parents/guardians using district approved communication tools (i.e. classroom website, curriculum learning platform, one-way and two-way communication platforms, etc.). The purpose of the communication is to keep parents/guardians informed of the applicable homework

assignments, project timelines, and links to teacher recommended resources to assist students. Concerns by administration regarding teacher communication will be brought to the teacher's attention, so they may be addressed. Concerns will not be used for punitive or evaluative purposes, unless identified issues are not addressed after a reasonable amount of time.

3.10 Safety Committee

The District recognizes the right of all teachers to work in an environment free from threats, verbal abuse, intimidation, and physical harm. The District shall take all reasonable steps to ensure a safe and respectful workplace.

To ensure safety concerns are heard and addressed, the parties agree that a Safety Plan will be collaboratively developed by a Safety Committee. The Safety Committee will include an equal number of representatives from the Administration and Association as well as one member representing non-bargaining unit employees.

The Safety Committee will be responsible for developing a Safety Plan to represent all staff safety, not just bargaining members. Any information for a Safety Plan will be found in the District Quick Reference.

ARTICLE IV – TEACHER APPRAISAL

4.1 Purpose of Evaluation

The District will utilize a teacher evaluation plan in accordance with Article 24A of the Illinois School Code. The teacher evaluation plan shall provide for a consistent, equitable and well-defined methodology of evaluation that has been collaboratively developed and implemented by the parties as specified herein. The teacher evaluation plan shall include a description of the teachers' duties and responsibilities and the standards to which the teachers are expected to perform.

4.2 Responsibility of Administrative Personnel

Administrative personnel shall be responsible for the evaluation of teachers. Evaluators shall be trained and qualified as required by law. The Board and the Association agree that, as part of the District's evaluation practice, the District will provide specific notice to the teacher of significant issues or concerns at the time of occurrence.

4.3 Orientation Procedure

A written copy of the evaluation procedure and evaluation criteria shall be available on the first day of the school year or within 14 days of initial employment (whichever is later)

in Quick Reference (QR) for each teacher to reference throughout the year. Any teacher may request a personal meeting with the building principal to review and ask questions about the evaluation procedure.

4.4 Evaluation Procedures for Tenure and Non-Tenure Teachers

Evaluation procedures for tenure and non-tenure teachers are available in the District 91 Evaluation Plan located in "Quick Reference."

The Evaluation procedures prescribed by this Agreement and the District 91 Evaluation Plan are subject to the grievance procedure. Substantive criteria including ratings are not grievable.

4.5 Evaluation Committee

As required by School Code Section 24A-4, the Teacher Evaluation Plan has been collaboratively developed by the School District and the Association. The parties agree that revisions to the Teacher Evaluation Plan will be considered and proposed by the District's Teacher Evaluation Committee, which will include an equal number of representatives from the Administration and the Association.

The parties acknowledge that the Evaluation Committee is not authorized to undertake any of the responsibilities of the Joint PERA Committee as provided in the Performance Evaluation Reform Act at 105 ILCS 5/24A-49(b). Procedural changes to the District 91 Evaluation Plan and/or the District 91 Student Growth Handbook are subject to the agreement by the Association and the Board.

ARTICLE V - TEACHER TERMINATION

5.1 Procedures

Procedures as outlined in the School Code, Section 24-12, shall be followed in terminating employment of tenured teachers.

5.2 Progressive Discipline

A. The district recognizes the use of progressive discipline, when appropriate. Employee discipline generally follows a process:

1. Informal – a conversation notifying the employee of the alleged incident.
2. Verbal reprimand – may be documented
3. Written reprimand – shall be documented and placed into the employee's personnel file
4. Suspension – shall be documented and placed into the employee's personnel file

5. Termination

The district reserves the right, in its decision, to determine the seriousness of an incident and, for matters determined to constitute serious infractions, impose a level of discipline appropriate to the conduct at issue without regard to whether prior less serious disciplinary actions have been taken. Prior to issuance of a written reprimand, suspension or termination, the District shall meet with the Employee and the Employee shall be entitled to Association representation at such a meeting.

- B. An employee may have a representative of the Association present at any meeting which could result in disciplinary action. The Employee will be notified, electronically or in writing, of the purpose of the meeting and of the Employees right to have an Association representative present at the meeting, if so desired. Generally, the administration will schedule the investigatory meeting at a time/date that respects the availability of the Employee's chosen representative.
- C. No record of discipline shall be placed in an Employee's personnel file without the opportunity for the Employee to sign for verification of receipt. A signature does not indicate agreement with the contents of the record, only receipt of it.
- D. Evidence not previously recorded in the Employee's personnel file, prior to the notification of discipline, shall not be used by the Board as a basis for its action.

ARTICLE VI - TEACHER COMPENSATION AND FRINGE BENEFITS

6.1 Full Experience Credit

The Board of Education reserves the right to award teachers new to the district credit up to a maximum of ten (10) years for comparable teaching. Teachers of District 91 who teach half time will be awarded one year credit for every two years taught.

6.2 Salary Schedule

The salary schedule shall be as set forth in Appendix A, which is attached to and incorporated in this Agreement. The schedule shall be based on a 180-day regular school calendar as adopted by the Board.

6.3 Pay Day - School not in Session

If a regular pay date during the school term falls on a day when school is not in session, teachers shall receive their pay on the scheduled payday through automatic deposit. All summer pay checks will be automatically deposited by June 30th.

6.4 Payroll Installments

Each teacher will be paid on the basis of 26 equal payments through electronic deposit. In the event that the calendar prevents the appropriate number of pay dates, the

Association and the Board agree to mutually develop a solution. If any of the payroll dates fall before the first contractual day of the school year, any new staff will receive the missed payroll date(s) as a paper check on their first contractual day of work.

6.5 Supplemental Jobs Added to Salary Schedule

The supplemental pay schedule as set forth in Appendix B and Appendix C, is attached to and incorporated into this Agreement. Payment for supplemental work shall be made during the provided time of service (the season/length of activity/payroll schedule) according to the annual payroll schedule, Schedule B and Schedule C. The co-curricular program is considered an integral part of the educational program and all teachers are encouraged to participate.

Association members hired for the 2022-2023 school year, and thereafter, may be required to assume a coaching or sponsor assignment from Schedule B, for a minimum of four (4) years, from the date of hire, through the sixth (6) year of employment, for the stipend listed in Schedule B of the Agreement, OR;

If the Association member cannot assume a coaching or sponsor assignment, a minimum of fifteen (15) co-curricular credits may be substituted with paid event supervision as listed in Schedule C of the Agreement, each year. The District will provide a time, within the contractual workday, for Association members to sign up for paid supervision events, at the start of each school year. Sign up for event supervision will be done by seniority with retiring members signing up first.

Co-curricular positions will be compensated in accordance with salary Schedule B and salary Schedule C, which can be found at the end of this Agreement.

Co-curricular assignments will be made by mutual agreement, in writing, between the teacher and administration. A performance evaluation will be completed, by administration, at the end of the season/school year, to determine assignment renewal for the following season/school year. If the assignment is not renewed, either by administration or association member, the association member is still required to meet the contractual obligation of either Schedule B or Schedule C as listed above.

In the event that co-curricular positions, and/or event supervisions are unfilled by an Association member, a qualified non-Association staff member may be hired.

6.6 Employee Travel

Employees traveling in personal vehicles for authorized District 91 business shall be reimbursed at the current Internal Revenue Service rate. All requests for reimbursement must be submitted by June 15th of each academic year. Any request not submitted by June 15th of the academic year will be forfeited.

6.7 Internal Substitution

Pay substituting for another teacher during planning time shall be compensated at the rate of \$25 per class period. Teachers substituting for less than a full class period shall be paid on a prorated basis. Teachers may opt in or out of subbing with an initial signup at the start of the year. Subbing will be offered for staff during their plan period(s) on a rotational basis. If a teacher's status changes throughout the year, the teacher is to notify the sub coordinator.

6.8 Part-Time Teachers

All teachers employed at least half-time, but less than full-time, will receive the following prorated monetary benefits, proportionately, according to percent of time employed: tuition reimbursement, sick days, personal days, bereavement leave, and salary/per diem rate. Said employees are included in all other benefits contained in the current collective bargaining agreement.

6.9 Insurance

- A. For the 2026-2027, 2027-2028, and 2028-2029 contract years, the total cost of medical insurance for teachers shall be shared by the Board and the bargaining unit with the Board paying 90% of the total cost. Specific teacher premium contributions will be established annually by the Administration for each plan category after recommendations are received from the Insurance Committee. Contributions will be made over 26 pays. Insurance coverage will begin September 1st of the year the teacher is hired.
- B. Board contributions for medical insurance for individual teachers are also subject to the following special procedures based upon date of hire:
 - 1. Full-time teachers hired prior to July 2001, may elect a single or family HMO (Blue Advantage) or PPO plan and will pay only the applicable contribution for the plan selected.
 - 2. Full-time teachers hired after July 1, 2001, but on or before June 30, 2005 are entitled to maintain the plan coverage the teachers had on June 30, 2005 (except for the HMO Illinois Plan) and will pay the applicable contributions as set forth in Paragraphs A and B above for that coverage. Any increase in coverage after June 30, 2005, will result in a change in the teacher's contribution requirement as described in Subparagraph 4 below.
 - 3. Full-time teachers hired after July 1, 2005 will receive single coverage under the HMO Blue Advantage plan offered by the District and will pay the applicable contribution for such coverage under the selected plan.
 - 4. Any full-time teachers may elect HMO family coverage or Employee Plus One during the annual open enrollment period, or at another time as a result of a "qualifying event" under the Health Insurance Portability and Privacy Act. The teacher will pay 50% and the district will pay 50% of the total cost of the elected

plan based upon the full premium billed to the district, except as provided in Subparagraph 1 above.

5. For the 2022-2023 contract year only, the insurance premium increase of \$1,611.24 for HMO B-Family will be divided with 80% of the increase being paid by the Board and 20% of the increase paid by the teacher. Starting in the 2023-2024 contract year, the insurance premium increase for HMO 2 Family options will be divided equally with 50% of the increase being paid by the Board and 50% of the increase paid by the teacher.

C. Insurance Committee

The District 91 Insurance Committee will consist of no more than three (3) members from the Board, no more than three (3) members from the Association (appointed by the Association President), and one (1) member representing non-bargaining unit employees.

The Insurance Committee shall meet each year as needed, but no later than October 1. The Insurance Committee will provide information and/or recommendations to the Board of Education and Association on or before November 1.

The Committee shall have access to all master policies, documents describing benefit coverage or claim procedures and experience, and other documents generated by the Plan Administrator which may have been customarily provided to the Board. The Superintendent will supply these materials to the committee from the Plan. However, the Superintendent shall take whatever steps are necessary to protect the confidentiality of the individual plan participants as required by the American with Disabilities Act, HIPPA, and other applicable statutes.

The Committee shall review insurance cost data, claims history, cost projections, and other informative necessary to evaluate options for providing the best insurance plan possible while controlling insurance expenses. The committee shall consider all options which are in the best interest of the participants, taking into account, with limitation, benefits design and options, cost savings, cost containment options, managed care, preventative and wellness programs. The Committee shall not have the authority to alter benefit or premium levels, but shall report findings and recommendations to the Board, the Association and other constituent groups. The Board and the Association shall negotiate any changes.

- D. The Board of Education has the option of looking for other insurance providers with the intention of providing comparable or improved coverage at reduced costs. The Insurance Committee will be notified prior to a change in insurance providers and allowed input into such a change. The Board reserves the right to make all final decisions regarding insurance providers.

- E. Life Insurance and AD&D - \$50,000 term (per individual).

F. Retirees shall be included in the insurance plan as follows:

The Board shall annually reimburse the retiree \$2,000.00 towards the cost of TRIP health insurance or health insurance selected by the retiree after proof of payment is provided by the retiree. This shall continue for five (5) consecutive years after the effective retirement date or the cessation of such insurance coverage, whichever shall first occur. Each retiree shall be solely responsible for applying and qualifying for any such insurance coverage chosen.

6.10 Professional Reimbursement and Salary Schedule Advancement

A form will be supplied by the Superintendent for approval of any graduate class taken for advancement on the salary schedule and/or reimbursement. Actual cost not to exceed \$120.00 per graduate semester hour shall be granted under the following conditions:

- A. Prior approval of the Superintendent ten (10) calendar days prior to the course start date.
- B. Must have completed two years of full-time employment with the district as a teacher.
- C. All courses, online or on-site, must be graduate level courses, be from an accredited University, be aligned with district initiatives or the District's Strategic Plan. Approval of courses subject to the needs of the District as determined by the Superintendent. Courses will be evaluated on an individual basis. Courses will not be evaluated for approval until such time the teacher plans to enroll for the course(s).
- D. Limited to 12 graduate hours per fiscal year (July 1 - June 30).
- E. Submission of course completion with a grade of "B" or higher and proof of payment to the Superintendent's office.
- F. In order to move on the salary schedule, courses requests must be completed, and approved, by June 30th and official transcripts must be received by November 1st.
- G. Any lane movement made after the first payroll of the new fiscal year will be paid to the Employee retroactively.
- H. Graduate courses which are part of a Superintendent approved master's program, but do not meet the district's requirements for reimbursement, will qualify for advancement on the salary schedule.
- I. The Superintendent's approval or denial is final.

6.11 Professional Staff Development

- A. Professional Staff Development - The district will provide teachers with professional growth opportunities based upon the time, availability of funds and its anticipated value to the teacher and the district. The Superintendent or Designee shall have the authority to grant the request. Any teacher may request

to attend professional meetings, conferences, workshops, clinics, conventions, etc.

All workshops, conferences, clinics, conventions, etc., must be pre-approved by the Superintendent or Designee.

- B. Workshops - A form will be supplied by the Superintendent or Designee for approval of any workshop, conference, clinic, convention, etc. related to the teacher's assignment scheduled during the school day.

An approved workshop is not eligible for salary schedule credit, but the teacher will receive no loss in pay and the District will provide a guest teacher. Workshop hours will not be eligible for lane movement.

The Superintendent's approval or denial is final.

- C. Reimbursement - Within the financial constraints of the District, the Superintendent may approve reimbursement for a workshop fee, to the maximum of \$75.00 annually or may pay the workshop fee directly from District or grant funds.

6.12 Retirement

- A. To be eligible a teacher
- must have completed at least fifteen (15) years of full-time employment with the District.
 - must be fifty-five (55) years of age at the time of retirement or will reach age fifty-five (55) prior to December 31st of the retirement year.
 - shall submit an irrevocable notice of intent to retire by March 1 up to two (2) years in advance of the expected retirement date.
 - shall submit at the time of notice of retirement, a TRS statement of benefit or other TRS documentation confirming the teacher's total years of service and creditable earnings.

Creditable earnings shall mean all TRS creditable earnings including salary (inclusive of step and lane movement), payment for extra-curricular duties, stipends, and retirement benefits.

In addition to the above eligibility, a teacher who gives less than four years notice shall not have exceeded a 6% increase of creditable earnings in the non-incentive years that are used in the TRS calculations for retirement earnings (FAS).

In the event the teacher receives more than 6% and/or participates in the TRS Early Retirement Option (ERO), either of which would obligate the District to additional contributions to TRS, the teacher will not be eligible for the District Retirement Plan. Any teacher approved to retire under the Early Retirement Option (Section 133.2 of the Illinois Pension Code) ("ERO") for whom the Board is required to pay a one-time contribution to the Teachers' Retirement System shall not be eligible for the benefits of the District retirement plan. Should a teacher elect the benefits of the District retirement plan and subsequently retire under ERO for which the Board is required to pay a one-time contribution to TRS, the teacher shall repay the Board any incentives paid under the plan.

Once a teacher submits his/her notice of intent to retire, the plan elected will remain in effect until the teacher retires, even if during the plan's implementation a different retirement plan is bargained by the parties. In addition, the teacher may not revoke the notice of intent, unless an emergency arises, in which case the teacher may request to modify the number of notice years. Qualifying emergencies that may warrant a modification or revocation include, but are not limited to, a catastrophic illness, the death of a spouse/partner, or a sudden severe financial crisis. This is at the discretion of the district superintendent.

- B. The teacher shall leave the salary and extra duty schedule and, in exchange for performing the same duties as in the "base year", receive a 6% increase in creditable earnings. "Base Year" creditable earnings are defined as the total TRS creditable earnings from all District sources in the year preceding the first notice year.

1. The teacher will remain "off schedule" and receive a 6% increase in creditable earnings for each year of notice - up to two (2) years. (Two year notice, 6% for two years, one year notice, 6% for one year).
2. The teacher agrees that all extra duties performed in the "base year" will be performed in the "notice years", e.g. coaching, and stipends that were counted as TRS creditable earnings along with the scheduled salary.
 - i. A teacher may voluntarily resign from an extra duty assignment, however the teacher's compensation will be reduced accordingly.
 - ii. A teacher may be removed from an extra duty assignment by the Board. In such cases, compensation will be reduced accordingly. Elimination of a program will require a mutually agreeable alternative assignment. The

Association acknowledges that this may require the replacement of a non-retiring staff member.

3. A teacher who takes courses or otherwise would “move” on the salary schedule, or “move” in an extra duty/stipend schedule, will not receive additional compensation beyond the 6% incentive.
4. A teacher under the district retirement plan will not be able to earn more than 6% of the previous year’s creditable earnings.
5. The 6% incentive raises are compounded in each of the notice years.

6.13 Early Retirement Option

The Board and the Association agree that the number of bargaining unit employees annually eligible for participation in the Teachers Retirement System (TRS) Early Retirement Option shall be established at zero (-0-) employees eligible unless agreed otherwise by the Board and the Association on a case-by-case basis.

ARTICLE VII - LEAVES

7.1 Sick Leave

Each teacher shall be entitled to fourteen (14) sick days per school term without loss of pay. Upon completion of their nineteenth consecutive school term in District 91 and for each subsequent school term thereafter, teachers shall be entitled to twenty-four (24) sick days annually. Sick leave shall accumulate without limitation.

Sick leave shall be interpreted to mean personal illness, pregnancy, quarantine at home, or illness in the immediate family or household. The term “immediate family” is defined as: spouse/partner, children/step-children, parents, siblings/step or half, grandparents, grandchildren, parents-in-law, siblings-in-law, and legal guardians.

The Superintendent may require a physician’s certificate for any sick leave absence which exceeds three (3) consecutive days.

Sick Leave must be used in increments of one-half day or a full day only.

Cash-in of unused sick leave days will be permitted in accordance with the following provision. Any teacher who retires honorably after at least twenty (20) consecutive years of employment with Lockport District 91 will be paid for up to sixty (60) accumulated days, provided that the days have not been used for TRS service credit or sick leave purposes, with the rate of payment to be \$100 per unused sick leave day. For the

purpose of this section, a Board approved leave of absence does not constitute a break in service.

Payment for cash-in of unused sick leave days will be made after the teacher retires and after the teacher receives his/her final regular paycheck, so that the payment does not constitute TRS creditable earnings.

7.2 Teachers' Absence

Teachers who have an emergency, are ill upon awakening, or before arriving at work, must:

1. Create an absence through the *online absence program* with your request no later than 6:00 am. Include your name, date of the absence, reason for absence (emergency personal day or sick day), job notes (provide any duties, parking space number, where to find lesson plans, etc.). If you do not do this by 6:00 am, you are expected to be present at work.

If there is an emergency (out of your control) after 6:00 am which prevents you from being present at work, you must:

1. Contact an administrator by phone. Voicemail, text, and email will not be accepted. You must talk to a live person. No later than the first teacher institute day, teachers will be provided with an updated contact list for district administrators and the order of which contact should be made. It is the district's responsibility to provide updated contact information, should it change, throughout the duration of the school year.

If a teacher needs to leave the classroom because of illness or emergency at any point during the work day you must:

1. Call the sub-caller at extension #1113 and request sub coverage from sub-caller or designee. Calls should be made as soon as the teacher believes he/she will not be able to work all day. The following information should be provided: the teacher's name, grade or subject assigned, any duties, parking space number, where to find lesson plans, and reason for absence (emergency personal day or sick day).
2. Notify the main office that you will be leaving (building secretary or principal)

When an absence will continue for a subsequent day, or if you are not feeling well after 3:25 pm or in the evening before a work day you must:

1. Create an absence through the *online absence program* with your request no later than 6:00 am. Include your name, date of the absence, reason for absence (emergency personal day or sick day), job notes (provide any duties, parking space number, where to find lesson plans, etc.). If you do not do this by 6:00 am, you are expected to be present at work.

7.3 Emergency/Personal Leave

1. Each teacher shall be entitled to three (3) days of absence per year without loss of pay for personal business. It is understood that personal business days are for business, which cannot be taken care of any other time except during the school

day. At the end of the school year, any unused personal business days will accumulate as sick days for the individual teacher.

2. A teacher requesting a personal leave except for in the case of emergency shall submit his or her request on a District provided form to the Superintendent/principal for approval of at least three (3) calendar days prior to the requested leave.
3. Personal leave the day before a holiday, the day after a holiday, during the first two teacher employment days, or the last two teacher employment days of the school year is not permitted, except in the case of an emergency or life changing event. The Superintendent reserves the right to verify the reason for the absence.

7.4 Bereavement Leave

Bereavement leave shall be granted as follows (bereavement leave is not to be interpreted as sick leave or personal leave):

A. Funeral - immediate family - five (5) days maximum each instance:

1. Spouse/Partner
2. Parents
3. Children/Step-children
4. Grandchildren
5. Siblings

Five additional days may be requested. Personal days will be used first. Remaining days will be deducted from sick leave.

B. Funeral - relative - two (2) bereavement days - maximum each instance:

1. Grandparents
2. Parents-in-law
3. Siblings-in-law
4. Aunt/Uncle
5. Legal Guardian
6. Niece/Nephew

Three (3) additional days may be requested. Personal days will be used first. Remaining days will be deducted from sick leave.

7.5 Other Absences

Deductions for any such absence other than those listed will be made at the rate of 1/180 of the annual salary for each day of absence. Under no circumstances should any person be absent from school without advance knowledge of the Superintendent.

7.6 FMLA for the Birth/Adoption of a Child

The Family Medical Leave Act (FMLA) entitles mothers and fathers the same right to take up to twelve (12) weeks of leave for bonding. The counted twelve (12) weeks are to be contractual working days (thereby excluding any intervening period of nonworking days or school not being in session, such as summer, winter or spring break or holidays). Teachers may use accrued sick time for this leave, or elect to take any portion of the leave unpaid. This leave must be taken consecutively, unless otherwise approved by the Board.

1. Any tenured, certified staff member shall be permitted leave, without pay, for up to one (1) school year plus the remainder of the school year in which the leave begins.

One additional year beyond the initial leave period may be requested by a tenured teacher, with the Board retaining its right to approve or deny the request. During the full-year leave, the teacher involved shall notify the superintendent as to his/her intentions to return to active duty. This notification shall be in writing and submitted by March 1st of the leave year.

2. Any teacher desiring child care leave must notify the Board in writing at least ninety (90) calendar days prior to the anticipated birth of the child, or upon making an application for adoption of a child.
3. The teacher will not lose accumulated sick leave, tenure, or seniority while on approved child care leave. The teacher being granted FMLA for Birth/Adoption of a Child leave shall also be entitled to a teaching position for which he/she qualifies upon return from said leave. A teacher on child care leave shall be subject to all regulations found in the School Code of Illinois in relation to employment.
4. Eligible teachers are entitled to leave in accordance with the Family and Medical Leave Act (FMLA). All fringe benefits cease when the leave goes into effect. The teacher involved shall be permitted to continue health insurance benefits at his/her own expense for the period of leave.
5. Teachers taking child care leave must work one hundred (100) days of a school year in order to advance on the salary schedule.
6. Upon termination of the leave, the teacher involved shall notify the superintendent as to his/her intentions to return to active duty. This notification shall be in writing and submitted at least ninety (90) calendar days prior to the termination of the leave. If a teacher is requesting a child care leave for the purpose of having a child and then returning immediately, this should be so stated in his/her request. The proposed beginning and end-dates of the leave shall be noted.
7. Child care leave is granted on the condition that the teacher taking such leave will not engage in alternative employment which is in any way equivalent in either income or career potential to the teacher's position in the District.

8. A child care leave may be granted to a non-tenured teacher by action of the Board, subject to all the conditions applicable to tenured teacher as listed above, provided the term of such leave shall not be considered in computing full-time employment under Section 24-11 of the Illinois School Code for the purpose of the continuous employment necessary to attain contractual continued service status. Upon the return from such leave, the full-time teacher shall be considered to have commenced his/her first probationary year. The granting of child care leave to any non-tenured teacher shall not constitute a precedent for the granting or withholding of leave to any other non-tenured teacher. Each request shall be judged on its own merits and shall be within the sole discretion of the Board. Additional comments or restrictions may be established for any such leave provided nothing herein shall be construed as requiring a non-tenured teacher to apply for such leave or to accept the conditions therefore.

7.7 Association Leave

A member of the Association may be excused from his/her duties to attend Association affairs under these conditions:

1. A written request for leave shall be submitted by the Association President to the Superintendent at least ten (10) work days in advance of the leave.
2. No more than two (2) teachers/association members may be absent on any one school day.
3. Use of Association leave days will be limited to six (6) days in any school year.
4. When a guest teacher is employed, the Association shall reimburse the Board the current daily rate set for guest teachers.

7.8 FMLA for Serious Health Condition(s)

- A. The Family Medical Leave Act (FMLA) entitles eligible employees to take up to twelve (12) weeks of paid or unpaid, job-protected leave for specified family and medical reasons with continuation of group health insurance coverage under the same terms and conditions as if the employee had not taken leave. Employees may use accrued sick time for this leave, or elect to take any portion of the leave unpaid. Eligible employees are entitled to twelve work weeks of leave, that can be taken consecutively or intermittently, in a twelve (12) month period for:
 - a. To provide care for a dependent child who is ill or has a serious health condition.
 - b. To care for the employee's spouse, child, or parent who has a serious health condition.
 - c. A serious health condition that makes the employee unable to perform the essential functions of his or her job.
- B. Employees shall be permitted to take FMLA for the Birth/Adoption of a Child as outlined in Article 7.6 of this Agreement and FMLA for a Serious Health Condition as outlined in Article 7.8 of this Agreement within the same 12 month period.

- C. An employee desiring FMLA for Serious Health Condition(s) must notify the Superintendent in writing as soon as possible. A description of the leave dates should be included in the notification. If the staff member is unable to complete the notification, the Superintendent can work with the employee/designee to identify the leave information to be communicated with the Board of Education.
- D. The employee will not lose accumulated sick leave, tenure, or seniority while on approved leave. The teacher being granted FMLA for a Serious Health Condition shall also be entitled to a teaching position for which he/she qualifies upon return from said leave.

7.9 Jury Duty

A leave of absence will be granted to district employees who are subpoenaed to court proceedings or summoned for jury duty. Such employees must notify the Superintendent of the pending court/jury duty no later than 10 work days prior to the first day of duty, if feasible, and must provide a copy of the subpoena or jury summons.

The employee will not be required to use vacation, personal or other leave for this purpose in order to be paid if the employee provides the district with the stipend received for jury duty. If this is not provided, the employee will be required to use a personal day or take a non-paid leave for the duration of the court duty.

The employee must report to his/her immediate supervisor for assignment when his/her presence in court is not required.

7.10 Sabbatical Leave

A leave of absence without pay may be granted to any employee who has reasonable need for such a leave, under the provisions of board policy.

ARTICLE VIII - GRIEVANCE PROCEDURE

8.1 Definition

A grievance shall mean a complaint that there has been an alleged violation, misinterpretation, or misapplication of any provision of this agreement. All time limits consist of days that the Central Administration Office is officially open for business.

8.2 Procedures

If a member of the collective bargaining agreement believes there is a contractual infringement that cannot be resolved through an informal meeting with their immediate supervisor, they must follow the grievance procedure as stated below:

STEP I

A grievance must be filed by the grievant and the Association, or the Association itself in class grievances, in writing within twenty (20) calendar days of the occurrence giving rise to the claim that the Agreement has been violated, misinterpreted, or misapplied. The grievant shall present the grievance in writing to the immediate supervisor who will arrange for a meeting to take place within ten (10) calendar days after the receipt of the grievance. The Association representative, the grievant, and the immediate supervisor shall be present for the meeting. At this step and all subsequent steps, the grievant may have an Association representative. Within five (5) work days of the meeting, the grievant shall be provided with the supervisor's written response, including the reasons for the decision.

STEP II

If the grievance is not resolved at Step I, then the grievant may refer the grievance to the Superintendent or his official designee within five (5) working days of receipt of the Step I response. The Superintendent shall arrange for a meeting to take place within ten (10) working days of the Superintendent's receipt of the appeal, at which time any witness can be interviewed. Within five (5) working days of the meeting, the grievant shall be provided with the Superintendent's written response, including reasons for the decision.

STEP III

If the grievance is not resolved at Step II, then the grievant may request to meet with the Board, or a committee thereof. Such requests shall be made within five (5) working days of receipt of the Step II response. The Board shall meet with the grievant, the Association representative, the immediate supervisor, and the Superintendent no later than the next regular Board meeting. Within five (5) working days of the Board meeting, the grievant shall receive a written response, including reasons for the decision.

STEP IV

If the grievant is not satisfied with the disposition of the grievance at Step III, or the time limits expire without the issuance of the Board's written reply, the Association may submit the grievance to binding arbitration. A mutually acceptable arbitrator shall be agreed upon by the Association and the Board, with the costs shared equally. If a demand for arbitration is not filed within thirty (30) calendar days of the date for the Step

III response, then the grievance shall be deemed withdrawn. The arbitrator shall have no power to alter the term of this agreement.

8.3 Bypass of Grievance

If the Association and the Superintendent agree, Steps II and III of the grievance procedure may be bypassed and the grievance advanced.

8.4 Class Grievance

Common grievances that involve one or more teachers or one or more administrators may be filed by those so grieving and may be heard jointly.

8.5 No Reprisals Clause

No reprisals shall be taken by the Board or the administration against a teacher because of his participation in a grievance.

8.6 Grievance Withdrawal

A grievance may be withdrawn at any level, without establishing precedent.

ARTICLE IX - EFFECT OF AGREEMENT

9.1 Complete Understanding

The terms and conditions as set forth in this Agreement for the full and complete understanding between the parties. The terms and conditions may be modified only through the written mutual consent of the parties.

9.2 Individual Contracts

The terms and conditions of this agreement shall be reflected in individual contracts or teacher agreements.

9.3 Savings Clause

Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this Agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.

9.4 Inclusions

The parties agree that applicable Illinois' statutory and case law and the Constitution of the United States and the State of Illinois are hereby incorporated into the Agreement.

9.5 Terms of Agreement

This agreement will be effective as of July 1, 2026 and will remain in effect through June 30, 2029.

TERMINATION OF AGREEMENT BY BOARD OF EDUCATION (SUBSTANTIAL REVENUE/EXPENSE CHANGES). The Board of Education may, by written notice to the Association, at least thirty (30) days prior, elect to terminate this Agreement at the end of a contract year, if revenue reductions due to changes in the District's appropriations for evidence-based funding (formerly general state aid), for mandated categorical aid payments or for Federal grants, reductions or elimination (tax freeze) of property tax levy increases currently available to the District under Illinois law, and/or cost increases for the District contributions to the Teachers' Retirement System (e.g. "cost shift"), will cumulatively exceed \$500,000 for the succeeding fiscal year.

The parties agree that, if the Board gives such notice, negotiations shall commence as soon as possible towards a successor agreement. The parties further agree that salary and benefits shall be continued as paid and provided in the prior contract year, during any contract "hiatus" between the termination of the Agreement and the ratification of a successor agreement.

APPENDIX A: SCHEDULE A

Salary Schedules 2026-2027 through 2028-2029

Current employees (employed as of date of ratification) will receive a percentage salary increase calculated as follows:

2026-2027: See chart for raise percentage based on lane/step (ALL STAFF)

2026-2027 Raise Chart						
Lane	Step 1-4	Step 5-9	Step 10-14	Step 15-19	Step 20-24	Step 25-29
BA	14.43%	19.69%	19.69%	21.79%	6%	6%
BA+15	16.78%	19.00%	19.63%	11.89%	6%	6%
MA	16.69%	18.96%	19.81%	14.30%	11.27%	6%
MA+15	15.50%	17.76%	20.28%	12.97%	10.23%	6%
MA+30	14.27%	16.54%	17.05%	6%	6%	6%
MA+45	13.03%	15.28%	15.77%	10.27%	6%	6%

2027-2028: 6% for non-lane termination, 2% for lane termination

2028-2029: 4.75% for non-lane termination, 2% for lane termination

Salary Parameters:

Lane: Degree + hours	Years of Experience CB % raise over prior year salary through this year of experience	Lane Termination 2% raise over prior year salary begins at years of experience listed below	Lane Movement: Education Stipend upon course completion and superintendent approval
BA	19	20	-
BA + 15	19	20	\$2,000
MA	29	30	\$3,000
MA + 15	29	30	\$2,500
MA + 30	39	40	\$2,500
MA + 45	39	40	\$2,500

Within Lane Termination: All staff are eligible for lane movement, including those who are in lane termination. For instance, if you are at a MA, you are eligible for one lane movement each year until you enter MA +45.

Example: Staff member is in lane termination at MA and wants to receive more than 2%. In FY27 they submit and get approved for tuition reimbursement and/or lane movement AND complete all coursework for lane movement, then the following applies: If current base salary during the FY27 year is \$75,000, add the \$2500 education stipend to get \$77,500. Then apply the 2% raise for a new base salary of \$79,050 (equates to a 5.4% raise in this scenario). With no lane advancement, the 2% raise only would have given a new base salary of \$76,500 for FY28.

Calculation of lane movement: Prior year salary plus education stipend, then multiply the raise.

Example: Staff member looking to move from MA to MA+15. Their FY27 salary is \$70,000, add the \$2500 education stipend to get \$72,500. Then apply the FY28 raise of 6% to \$72,500 and the new base salary is \$76,850 (equates to a 9.8% raise in this scenario) for FY28.

New Hire - Salary Parameters -

- Hiring chart to be determined by mutual agreement (before contract ratification) between Administration and Association and will be annually increased by an amount less than the raises provided to current teachers.
- New hires will not be paid more than an existing teacher with the same years of teaching experience and the same level of education.

APPENDIX B: SCHEDULE B (Extra Curricular)

Schedule B Positions

When a bargaining unit member and a non-bargaining unit member are equally qualified for a Schedule B position, the position shall be awarded to the bargaining unit member. If a bargaining unit member is deemed unqualified, they will receive a written notice including the rationale for the decision. All hiring decisions made by the Superintendent are final and are not subject to the grievance procedure. If a District 91 employee does not plan to return to the position, the employee will notify administration by April 1st of the preceding school year. District 91 personnel maintain priority in all hiring considerations.

State Tournament Competition

In the event any team or activity qualifies for their respective State Tournament, a minimum of two adults shall supervise and be compensated for such work. The head coach and the assistant coach will be the supervisors. If there is no assistant coach or supervisor, the head coach or director will determine the second supervisor, subject to the approval of the Superintendent. This provision shall apply to band, choir, and athletic teams only.

Critical Need Positions

The parties agree that the SLP position is a critical need position and has been difficult to hire. This position requires a unique skill set that other members of the Association are not qualified to be reassigned to without proper licensing. Given the critical need and special licensing required for the position, the Board will pay the following annual stipends.

Stipends will be prorated for the SLPs hired mid-year and/or for the prorated portion of their day dedicated to their SLP work. Under no circumstances may the payment of this stipend expose the Board to excess salary payments or charges from the Illinois Teachers' Retirement System ("TRS"), and the stipend will be automatically reduced to the extent necessary to avoid such exposure. The stipend will be applied after the annual base salary.
