On behalf of D108, I would like to express my sincere gratitude to Dan Trapp (Lyons SD 103) for allowing us to use their ramp for our 8th grade graduation this past May. In addition, I would also like to thank Willow Springs Public Works department and Township of Lyons for transporting the ramp to our facility. The addition of this ramp made it possible for ALL WS students to equally participate in the graduation ceremony.

Financial Report

Rob Grossi was in attendance to discuss the July financial reports and answer any questions. In addition, Rob presented the FY25 tentative budget to the board.

Anderson had a question about her tax bill but is waiting until the end of the presentation.

Patterson had a question about revenues versus expenses.

Patterson asked about 5% increases in expenditures. How can we close that gap with expenditures?

Hawkins had a question about the Covid funding - specifically asked if the district had received 1.8 million dollars.

Rob explained about the increase and decrease in taxes across many school districts.

Patterson asked a clarifying question for a source of revenue.

Patterson clarified that we have to run very efficiently.

Patterson asked if salary and benefits are 70% of the budget.

Superintendent Bahn responded:

Salaries will be locked for 3 years. The agreement of board paid benefits will be locked. How much our benefits will cost is unknown.

Clarifying the costs related to special education is going up.

Transportation is a little smaller but is still over \$700,000 a year.

Superintendent stated this allows us to do some forward planning.

No action tonight on the budget.
