This report is based on the salary adjustment percentage increases specified in the Fact-Finding Reports and Conciliation Awards. It also includes equity adjustments when expressed as a percentage, as well as reopeners and collective bargaining agreements (CBAs) with terms shorter than three years, reflected in years one, two, and/or three. For Reports and Awards covering multiple bargaining units, calculations are performed independently for each unit specified in the Report.

The "Wage Award - Annual Average" is calculated as the average of the 1st-, 2nd-, and 3rd-year wage award averages.

The report does not include: Lump-sum payments specified in dollar amounts, equity or market adjustments specified in dollar amounts, pay range modifications, shift or rank differentials, or across-the-board increases applied to specific classifications or pay ranges. Please refer to the corresponding Report or Award for detailed language.
