PREAMBLE

The following contract (hereinafter referred to as the “Agreement”) is entered into between the Board of Education (hereinafter referred to as the “Board”) of Community Unit School District No. 4, Champaign County, Illinois (hereinafter referred to as the “District”), and the Champaign Federation of Teachers, IFT/AFT (hereinafter referred to as the “CFT”).

ARTICLE I - RECOGNITION

- A. The Board recognizes the CFT as the sole and exclusive bargaining agent for all full-time and part-time licensed personnel regularly employed in Unit 4 (“teachers”), except the Superintendent, Deputy Superintendent, Assistant Superintendents, Administrative Assistants, Directors, Assistant Directors, Principals, Assistant Principals, and Non-Teaching Supervisors. Deans are not part of the bargaining unit.

Furthermore, Teacher Aides, referring to “non-licensed personnel” and authorized pursuant to Sections 10-22.34, 10-22.34a, and 10-33.34b of The School Code of Illinois and as specifically defined in Rules and Regulations for the Utilization of Teacher Aides and Other Non-licensed Personnel, State Teacher Certification Board, shall be excluded from the bargaining unit.

In accordance with the IELRA, the parties agree to negotiate in good faith with respect to wages, hours, and other conditions of employment.

- B. Agreement Not to Strike

The CFT hereby agrees not to strike or engage in or support or encourage any concerted refusal to render full and complete services in the District or to engage in or support any activity which would disrupt in any manner the operation of the schools during the term of this Agreement.

ARTICLE II - EFFECT OF THE AGREEMENT

- A. It is expressly understood and agreed that all functions, rights, powers, and authority of the Board which are not specifically limited by the express language of this Agreement are retained by the Board, provided, however, that no such right shall be exercised so as to violate any of the specific provisions of this Agreement.
- B. Should any article, section, or clause of this Agreement be declared illegal by a court of competent jurisdiction, said article, section, or clause, as the case may be, will be automatically deleted from this Agreement to the extent that it violated the law. The remaining articles, sections, and clauses will remain in full force and effect for the duration of the Agreement if not affected by the deleted article, section, or clause.
- C. The parties hereby agree that this Agreement terminates and supersedes any and all prior, oral or written agreements and constitutes the entire agreement between the parties concerning any subjects covered herein; however, the parties may at any time amend this Agreement in writing by mutual consent.
- D. No changes in bargaining unit member wages, hours, or working conditions not covered by this Agreement, shall be made without prior notice to and full negotiations with the CFT.

ARTICLE III - AREAS OF CONSULTATION

- A. Composition

In order to promote the free flow of information between the CFT and the Board and to resolve issues that arise during the term of this Agreement, the CFT and the Board agree that the CFT President and Vice President, the President of the Board, the Superintendent of Schools, and two additional members appointed by each party shall meet monthly and so constitute a Consultation Committee. An Administrative Assistant shall also be present to prepare minutes for dissemination to the parties. Unresolved issues shall be presented to the Board.

- B. Meetings

The first meeting of the Consultation Committee shall take place no later than one month after the first day of school. Thereafter, the Committee shall meet at least monthly with additional meetings as required by Committee needs.

C. Items of Discussion

Items in the categories of fiscal, budgetary or tax programs, construction programs, revisions of educational policy, staff reduction policy, class size, teacher work day, substitute teachers, proposed calendars and requests for information are examples of items for discussion.

D. Policy Implementation

Prior to the implementation by the Board of a policy which affects and/or impacts bargaining unit employees and which otherwise constitutes a mandatory subject of bargaining, the policy shall be discussed in the areas of consultation. No such policy shall be implemented without prior negotiations with the CFT.

ARTICLE IV - GRIEVANCE PROCEDURE

A. Definitions

1. A grievance shall mean a claim by a member of the bargaining unit or by the CFT, that there has been an alleged violation, misinterpretation or misapplication of any provision of this Agreement.
2. All time limits consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term or during the summer, time limits shall consist of all workdays. School days for purposes of the grievance procedures shall mean teacher employment days.

B. Statement of Basic Principles

1. Every bargaining unit member covered by this Agreement shall have the right to present grievances in accordance with these procedures, with or without representation. Nothing contained in this Section or elsewhere in this Agreement shall be construed to prevent any individual employee from discussing a problem with the Administration and having it adjusted without intervention or representation of the CFT. However, any individual employee or a group of employees may at any time present grievances to their employer and have them adjusted without the intervention of the bargaining representative as long as the adjustment is not inconsistent with the terms of a collective bargaining agreement then in effect, provided that the bargaining representative has been given an opportunity to be present at such adjustment.
2. A bargaining unit member who participates in a grievance procedure shall not be subject to discipline or reprisal because of such participation.
3. Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after regular school hours, or during non-teaching time of personnel involved. When such hearings and conferences are held during school hours, all employees whose presence is required shall be excused with pay for that purpose.
4. The failure of a bargaining unit member or the CFT to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and an administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. Such failure to act on a grievance will not bar the filing of a new grievance on a substantially similar issue if such issue is deemed to be a continuing grievance, but any recovery under subsequent grievances shall be prospective in effect only and shall not include relief requested in prior grievances. The time limits may be extended by mutual agreement in writing. A grievance may be withdrawn at any level prior to arbitration without establishing a precedent.
5. Any bargaining unit member has a right to be represented in the grievance procedure.
6. Any investigation or other handling or process of any grievance by the grieving bargaining unit member or CFT representative shall be conducted so as to result in no interference with or interruption of the instructional program and related work activities of the teaching staff.
7. Class grievances involving one or more bargaining unit members or one or more supervisors and grievances involving an administrator above the building level may be initially filed at Step #2.

8. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared by the Superintendent and the CFT.
9. The time limits specified in this procedure may be extended in any specific instance by mutual agreement in writing.
10. In pursuing the grievance procedure, all parties will present all known relevant information at the lowest possible level in an effort to bring about an immediate understanding and settlement.
11. All records of grievances will be kept by the Superintendent or their designee in files separate from personnel records.
12. A grievance may be withdrawn at any level.

C. Procedures

1. Step One - The parties hereto acknowledge that it is usually most desirable for a bargaining unit member and their immediately involved supervisor to resolve problems through free and informal communications. If such informal processes fail to resolve the grievance, the grievance may be resolved as follows:
2. Step Two - The grievance shall be presented in writing within fifteen (15) days of the event complained of or of the date when the grievant might reasonably be expected to have known of such event. The supervisor will arrange for a meeting to take place within the five (5) days following receipt of the grievance. The written grievance should state the nature of the grievance, should note the specific clause or clauses of the Agreement allegedly violated and should state the remedy requested. The supervisor shall provide a written answer with reasons to the aggrieved bargaining unit member and the CFT within five (5) days of the meeting.
3. Step Three - If the grievance is not resolved at Step #2, then they may refer the grievance to the Superintendent or their designee within five (5) days after receipt of the Step #1 answer. The Superintendent or their designee shall arrange for a meeting with the bargaining unit member and the CFT representative to take place within five (5) days of their receipt of the appeal. The Superintendent or their designee shall file an answer within (10) days of the Step #3 grievance meeting and communicate it in writing to the bargaining unit member and the CFT.
4. Step Four - If the grievance is not resolved satisfactorily, the CFT, within thirty (30) days after receipt of the written reply from Step #3, may submit a demand in writing to enter into binding arbitration. The parties may mutually select an arbitrator or request a panel from the Federal Mediation and Conciliation Service or its state equivalency (if one exists), or the American Arbitration Association.
5. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision. When a decision is rendered, it shall include background and reasoning.
6. Any costs involved in implementing the arbitration stage of the grievance procedure will be shared equally by the Board and CFT. Costs prior to this stage, if any, shall be borne by the party initiating the costs.

D. Arbitration

1. The arbitrator shall make their decision in writing and in their opinion shall not amend, modify, nullify, ignore or add to the provisions of the Agreement. Their authority shall be strictly limited to deciding only the issue or issues presented to them in writing by the School Board and the CFT, and their decision must be based solely upon their interpretation of the meaning or application of the express relevant language of the Agreement. The arbitrator is empowered to include in any award such financial reimbursements or other remedies as will make the grievant whole.
2. The arbitrator shall have no authority to render an opinion inconsistent with the State or Federal laws.

3. Expenses for the arbitrator's services and the expenses which are common to both parties to the arbitration shall be borne equally by the Board and the CFT. Each party to an arbitration proceeding shall be responsible for compensating its own representatives and witnesses.
4. If either party requests a transcript of the proceedings, that party shall bear the full cost of that transcript. If both parties order a transcript, the cost of the two transcripts shall be divided equally between the parties. If a copy of the transcript shall be furnished to the arbitrator, the cost of such will be divided equally between the parties.
5. Neither the Board nor the CFT shall be permitted to assert any grounds or evidence before the arbitrator which was not previously disclosed to the other party.
6. The arbitrator shall not have the power to retain jurisdiction in any case after they have rendered their final decision.
7. The decision of the arbitrator shall be binding on both parties.

ARTICLE V – BARGAINING UNIT MEMBER AND UNION RIGHTS

A. Bargaining Unit Member Rights

1. OT & PT Discipline - After four consecutive years of employment with the District, Occupational Therapists and Physical Therapists will be disciplined or dismissed only for just cause.
2. Academic Freedom - The Board and the CFT acknowledge the professional right of academic freedom and agree that the exercise of this right shall be consistent with adopted Board policies. It is agreed that the bargaining unit member is responsible for a balanced, fair presentation of controversial issues which may be taught in their class.
3. Confidential Recommendations - Upon request by a bargaining unit member, any appropriate administrative officer of Unit 4 shall furnish to the chief officer of another school district or other prospective employers and placement services, a confidential description of the bargaining unit member's services. The request for such statement shall not be construed as notice of intention to resign and shall in no way affect the bargaining unit member's status and evaluation within the District.
4. Organizational Insignia - No bargaining unit member shall be prevented from wearing insignia pins, or other identification of membership in any bargaining unit member's organization either on or off school premises as long as it does not interfere with the instructional process.
5. Building Councils - The Board and the CFT agree that shared decision-making at the building level is a goal to be achieved during the implementation of this Agreement. The Board and the CFT agree that it is in the best interest of the educational welfare of the students and the development and implementation of educational policy to form and enthusiastically support building councils. Accordingly, Building Councils shall be formed at each attendance center for the purpose of implementing site-based management and shared decision-making. The Building Council shall be composed of representatives from the Administration, Champaign Educational Support Professionals (CESP), parents, and bargaining unit members. Recognizing that meetings of the Council are intended to be a free and open exchange of information and ideas designed to create a collaborative process, Councils shall adhere to the following guidelines:
 - a. Bargaining unit members shall constitute 50% of the Building Council unless another group declines or is unavailable, in which case bargaining unit members may constitute more than 50%.
 - b. Building Councils shall determine their own type of leadership, the selection process for leadership and the length of the term of leadership.
 - c. The Head Building Steward and Principal shall be members of the Council.

- d. Meetings shall be scheduled at least once each month during the school year, except in December.
 - e. Such meetings are exclusive of the grievance process and shall not concern themselves with matters covered by this Agreement unless otherwise specified in this Agreement.
 - f. The Council shall make every effort to reach consensus on issues presented and discussed. The following definition shall be used: "Consensus means general agreement and concord. For consensus to exist, it is not necessary for every participant to agree in full, but it is necessary for every participant to be heard and, in the end, for none to believe that the decision violates their conviction. It is not necessary that every person consider the decision the best one, but every person must be able to support the decision."
 - g. Nothing in this Section shall be interpreted to restrict or diminish the statutory rights and responsibilities of the Principal.
 - h. Building Councils may delegate responsibilities to other committees who will report to and make recommendations for action. The Council will consider the recommendations.
6. Superintendent/Teacher Advisory Council - Beginning in the 2021-2022 school year, the Superintendent shall convene an advisory council to address ways to improve educational outcomes for students. The council will examine a variety of options including curriculum and instruction, additional social and emotional learning resources, standardized testing, substitutes, supervision, staffing needs, and transportation and other logistics. This input shall be used by the Superintendent to inform decisions.
 7. Redistricting - In the event the Board redistricts or builds additions and/or new buildings during the term of this Agreement, the Board will notify the CFT at least thirty (30) calendar days prior to the finalization of such a decision and, if the CFT so requests, in writing, within five (5) days of such notification, negotiate in good faith with the CFT on the impact of said redistricting and construction on affected bargaining unit members.
 8. Notification of Vacancies
 - a. The Board shall post notice of all positions for the regular school term which are available, either through creation or vacancy. A vacancy shall be defined as any position that is currently unfilled.
 - b. The primary location of all Job Postings shall be the Unit 4 website. Notices of all job vacancies will be disseminated through District email to all principals, attendance center managers, the CFT union president and the CESP union president. Notices of vacancies will be posted for a minimum of three (3) business days prior to the scheduled interviews. Such notices shall state job title, date of filing, procedure for application, and the minimum job requirements or the job description.
 - c. Any bargaining unit member who meets the specific requirements for a job opportunity and desires to be considered for such vacancy shall apply online (unless otherwise indicated in the posting) within the time limits set forth in the posting notice.
 - d. The Board shall post anticipated bargaining unit member employment opportunities in summer school and adult evening school at least sixty (60) days before the commencement of summer or adult evening school.
 9. Personnel Files - The Board and the CFT agree that a bargaining unit member's official personnel file, under the jurisdiction of the Superintendent or their designee, shall be maintained under the following conditions:
 - a. Only one official file and one copy shall be kept for each bargaining unit member. No other official files shall be kept pertaining to a bargaining unit member unless notification of such files is given to the bargaining unit member and a copy of all material is given to the bargaining unit member. Such

records shall also be open, readily accessible, and immediately available for bargaining unit member examination upon request.

- b. All items in such file, except confidential references, shall be available to the bargaining unit member for initialing to indicate their knowledge of their existence.
- c. It is agreed that nothing shall be placed in the personnel file without the prior knowledge of the bargaining unit member.
- d. Neither a bargaining unit member's file nor any of its contents shall be copied or otherwise made known to any other person without the bargaining unit member's permission either during or after their service in the District, except upon subpoena or for normal administrative functions for District business.
- e. Every bargaining unit member shall have the right to grieve any material in the personnel file.
- f. Every bargaining unit member shall have the right to have dissenting or explanatory material attached to any document file.
- g. Every bargaining unit member shall have the right to make copies of all material available to the bargaining unit member under this Section of the Agreement. No anonymous letter shall be placed in the employee file.
- h. Any material not in the official file shall not be used as evidence in any arbitration that may arise.

10. Payroll

- a. Notice of Salary - The District shall provide each bargaining unit member with an annual salary statement showing the bargaining unit member's salary, step placement, and other compensation information. Bargaining unit members are expected to review the information carefully and notify Payroll promptly of any errors.
- b. Error Correction - If the District determines that a bargaining unit member has not been placed on the correct step on the salary schedule or there is an error with a differential, the District will correct the error in pay for the time period from when the error is discovered back to the start of the prior fiscal year (in the case of underpayment) or back to the start of the current fiscal year (in the case of overpayment).
- c. Paydays - The bargaining unit member shall elect to be paid either for 21 or 26 paydays with the first payday being the first Friday that falls on the District pay calendar after twelve (12) work/pay days. Subsequent paydays will continue on alternate Fridays for the designated 21 or 26 paydays until full payment of contracted salary is made. However, the last check will not be issued before the last day of the school term. The first two checks may be based upon the previous year's salary schedule and adjustments made on the remaining paydays.

In years in which there are twenty-seven alternate Fridays, all employees paid on a twenty-six pay basis shall be paid on a twenty-seven pay basis.

- d. A voluntary direct deposit pay shall be made by the Board to any bank serviced by the central depository and selected by the employee. The Board shall deposit direct deposit payments at the close of bank business the day preceding a payday and shall make the credit union direct deposit available for pick-up by the credit union when the payroll deduction check is tendered.
- e. Where bargaining unit members elect dependent coverage deductions for health insurance, such deductions shall be made equally from the twenty paydays, and bargaining unit members terminating their employment shall not be entitled to any refund or prepaid premiums.

- f. Employees shall notify Payroll promptly of any errors in individual paychecks. The Board shall correct any errors as promptly as possible thereafter.
 - g. Extra Pay - Payment for extra duty shall be made on the first pay period succeeding the tenth of the month following the completion of the previous month's work. Extra duty as used herein shall refer to all compensation except annual salary and differential payments.
 - h. Summer School - Summer school wages shall be paid in a separate check or separately designated on the same check for those employees who do not elect an extension agreement to their individual school year contract.
 - i. Return from Leave/Payroll - Bargaining unit members who return from an approved leave of absence shall be paid on the next scheduled pay day (provided the pay day is at least two weeks after the bargaining unit member's return) and on the remaining pay days for either a 21- or a 26-pay schedule. The bargaining unit member's check will be calculated by dividing the bargaining unit member's remaining salary by the number of remaining pay days.
11. Right to Representation
- a. When any bargaining unit member is required to or requests to appear before the Board, before any committee of Board members, or before any central office administrator concerning any matter which could lead to discipline or otherwise adversely affect the continuation of that bargaining unit member in their office, position of employment, or the salary or any increments pertaining thereto, the bargaining unit member shall be given reasonable prior written notice of the reasons for such meeting or interview, including a brief description of the subject matter or conduct to be discussed, and shall be entitled to have representatives of the CFT present to advise them and represent them during such meeting or interview. Such representation shall not be available for routine evaluation conferences.
 - b. Any employee summoned to the office of a Principal, immediate supervisor, or central office administrator, or their designee, for a conference for the record which may lead to disciplinary action or reprimand, shall have the right to be accompanied by a representative of their choice, but under no circumstances will the meeting be delayed because of the unavailability of the designated representative.
 - c. In the event of a proposed Notice to Remedy or unpaid suspension, the bargaining unit member shall have the opportunity to meet with their CFT representative and the Superintendent to discuss the findings prior to a Board vote on the matter.
12. Non-Discrimination
- In the application of the terms and conditions of this Agreement, the Board and the CFT agree not to discriminate against any bargaining unit member on the basis of race; color; religion; national origin; sex; sexual orientation; gender identity; age; ancestry; marital status; arrest record; military status; order of protection status; citizenship status; disability; pregnancy, childbirth, or related medical conditions; or other legally protected categories, or the exercise of any right under this Agreement.
13. Right to Organize
- Employees shall have the right to organize, join and assist the CFT and to participate in professional bargaining with the Board. The Board shall not discriminate against any employee with respect to hours, wages, terms and conditions of employment for reasons of membership in the CFT, participation in bargaining with the Board, or the institution of any grievance, complaint or proceeding under this Agreement.

14. Parent/Guardian-Student Complaint Procedures

- a. The purpose of this article is to establish a fair, consistent, and transparent process for addressing complaints made by parents/guardians or students regarding the professional practice of bargaining unit members, while ensuring due process and protection of employee rights. For purposes of this article, a complaint is defined as a written or oral statement submitted to administration while acting in their official capacity by a parent/guardian or student concerning the professional performance of a bargaining unit member, including issues such as grading, academic content, teaching methods, etc. Such complaints initiated at the District level shall be referred to the building level administration and the procedures outlined below shall be followed.
 1. Any complaint by a parent/guardian or a student directed towards a bargaining unit member shall be channeled through the bargaining unit member. No action shall be initiated by an administrator until a parent/guardian-bargaining unit member communication has occurred, and the bargaining unit member has an opportunity to respond.
 2. The following steps shall be employed in an attempt to resolve the complaint if the communication is unsuccessful:
 - Step 1: Parent/Guardian-Bargaining Unit Member-Building Principal Meeting: The bargaining unit member shall be informed of their right to representation.
 - Step 2: Parent/Guardian-Bargaining Unit Member-Superintendent or Designee Meeting: The bargaining unit member shall be informed of their right of representation.
 3. Materials relative to such complaint shall not be placed in the bargaining unit member's personnel file unless the bargaining unit member is disciplined or receives written directives related to the complaint.
 4. No anonymous complaint shall be processed by the District, Board, or Administration.
- b. For any complaint processed through the District's Uniform Grievance Procedure in Board Policy, the following rights of the bargaining unit member shall be honored:
 1. Bargaining unit members shall be given a copy of the complaint procedure prior to the scheduling of any meeting or hearing.
 2. Bargaining unit members shall receive a copy of the complaint and requested remedy prior to the scheduling of any meeting or hearing.
 3. Meetings or hearings shall be scheduled at a mutually agreeable time.
 4. Bargaining unit members shall be informed of the right to representation.
 5. The bargaining unit member and the CFT shall receive a copy of the disposition of a parent/guardian or student complaint.

15. Tenure Retention

- a. For the purposes of this Section, the term "bargaining unit member" shall be understood to only include those members of the bargaining unit who are eligible to attain contractual continued service in accordance with the Illinois School Code.
- b. When a bargaining unit member acquires tenure, the bargaining unit member will receive a letter from the Superintendent or their designee. Tenured bargaining unit member who are granted part-time positions shall suffer no loss of tenure rights.

- c. A joint committee shall convene by no later than December 1 of each year and address the matters described in Section 24-12(c) (1) through (5) of the Illinois School Code. The joint committee shall be composed of four members appointed by the Superintendent and four members appointed by the CFT President. The appointments shall be made by October 1 of each school year, with the appointees serving from October 1 through the following September 30. Any agreements reached by the joint committee must be approved by the affirmative vote of at least three members per side.

By no later than March 1 of each school year, the Superintendent shall consult with the CFT President to develop a list establishing the sequence of honorable dismissals in any RIF in accordance with the positions and the groupings required by Section 24-12(b) of the Illinois School Code. The Superintendent shall complete the list and provide the CFT President with a copy by no later than 75 days before the end of the school term. Thereafter, the Superintendent shall promptly inform the CFT President of any changes in the list made between the time of consultation with the CFT President and any RIF action taken by the Board, but in any event by no later than April 15.

If the Board deems it necessary to undertake a reduction-in-force (RIF) of bargaining unit members, bargaining unit members to be honorably dismissed shall be chosen from among those bargaining unit members in the same position in accordance with their statutory grouping, with those in lower groupings being removed before those in higher groupings. Within Group 1, bargaining unit members may be removed from employment in any order determined by the District. Within Group 2, bargaining unit members with a lower average rating on their last two ratings (or their last rating if only one is available) shall be removed before bargaining unit members with a higher average rating. For purposes of calculating an average rating, Excellent=4; Proficient/Satisfactory=3; Needs Improvement=2 and Unsatisfactory=1. Among bargaining unit members with the same average rating in Group 2 and bargaining unit member in Group 3 and 4, dismissal shall be by seniority.

Bargaining unit member dismissed as a result of a RIF and entitled to recall pursuant to Section 24-12 of the Illinois School Code shall be notified of recall by regular mail and mail/message showing proof of delivery to the member's last known address. To be eligible for recall, bargaining unit member must provide the Board with the address where such bargaining unit member may be reached. The bargaining unit member must also notify the Board in writing, within 14 calendar days of mailing or within 7 calendar days of receipt of the offer, whichever shall first occur, of the acceptance of any vacant position offered to the bargaining unit member during the recall period. Failure to notify the Board of acceptance shall constitute rejection of the offer of employment. If a bargaining unit member rejects an offer of a full-time vacant position, the bargaining unit member shall be deemed to have waived their recall rights and will no longer be eligible for any vacant positions that become available within the recall time period.

16. Committees

The parties recognize that school committees and evening activities are an important and invaluable part of enhancing and advancing school projects. Accordingly, bargaining unit members are encouraged to participate on such committees and evening activities.

17. Drug and Alcohol Testing Policy

- a. Purpose - In order to promote a safe work environment and a healthy, productive workforce, the District establishes the following drug and alcohol testing policy.

- b. Definitions

The threshold limits for initial confirmatory test results being considered positive shall be those as currently established by the United States Department of Health and Human Services.

2. Each full-time classroom teacher and full-time special education teacher shall be guaranteed no less than five (5) preparation periods each week, provided such week is five (5) pupil attendance days. 4. Middle School Functional Life Skills teachers shall be given one, forty (40) minute period each week for collaboration with other staff members.

B. Supervision

Supervision assignments shall be reviewed annually by the Building Principal and CFT Steward within the first month of school. Unresolved concerns shall be reviewed at Areas of Consultation.

C. Formal Evaluation

1. Evaluation Objectives - Evaluation is a process that must be continuous and constructive and must take place in an atmosphere of mutual trust and respect. This process should focus on the means whereby bargaining unit members may improve their contributions to the educational effort of the District. Only through a cooperative effort can an appraisal process hope to ensure the greatest positive growth and effectiveness of all personnel. The primary function of such a process is to help all employees develop the objectives, skills, and knowledge necessary for them to grow on the job in a way which is consistent with their needs and those of their profession, their community, and their colleagues. Additionally, the process may also function as a means of obtaining clarifying information for use as one form of input into the making of personnel related decisions.
2. Bargaining unit members will be evaluated in accordance with the evaluation instrument developed by the Administration in consultation with the CFT.
3. The Champaign Unit 4 *Professional Evaluation Plan* shall be considered an appendix to this Agreement. The parties understand that the substantive aspects of the evaluation instrument are matters of inherent managerial policy and the Board has not waived any rights with regards to those aspects of the evaluation plan.
4. If a bargaining unit member feels a formal, written evaluation is incomplete, inaccurate or unjust, the bargaining unit member may put the objections in writing and have them attached to the evaluation report.

D. TB and Physical Examinations - Newly appointed bargaining unit members shall furnish a certificate of health signed by a physician, giving such information concerning the medical history, tuberculosis test (for Early Childhood positions only), health and physical fitness of said employees. A psychological examination will be administered only upon the recommendation of a medical doctor. The Board will bear the cost of any physical examination it requires.

E. Pupil Discipline and Bargaining Unit Member Protection

1. The Board and the CFT recognize the fact that court decisions generally are requiring more documentation demonstrating consistent application of rules in discipline cases and agree that it is the responsibility of bargaining unit members and the CFT to report pertinent and essential information fully and accurately in student and bargaining unit member discipline cases, when requested by the Administration. Pupil discipline is based on the requirement that children must adhere to a normal to-be-expected code of acceptable behavior and must conform to all reasonable school rules and regulations.
2. The CFT recognizes the bargaining unit members' responsibility to maintain order and control through effective teaching and leadership techniques. The Board and Administration recognize their responsibility to give reasonable support and assistance to bargaining unit members with respect to maintenance of control and discipline. The Administration and CFT will develop a plan/procedure to assist bargaining unit members who request intervention and/or assistance with pupil discipline or classroom management.
3. In the event of a complaint against a bargaining unit member, appropriate consultation will be held with the bargaining unit member. No action will be taken, except in emergencies, without giving the bargaining unit member an opportunity to reply to the complaint.
4. Bargaining unit members have the right to send disruptive students out of their classrooms in accordance with established disciplinary procedures. The Board shall establish and maintain a parent/teacher advisory committee to review and recommend policy guidelines. The CFT shall appoint the teacher representatives, and teachers shall comprise 50% of the committee.

5. Unless required by law, bargaining unit members shall not be required to sign any statements obligating them to abide by the Board policy.
6. A staff member may use physical force against a pupil without advance notice to the Principal when it is essential for self-defense, or for protection of other persons or the property of the Board.
7. A bargaining unit member shall forward a written report to the Board's representative of any threats of criminal or civil action against them arising out of and in the course of their employment, and the matter will be reviewed and appropriate steps, as determined by the Board, will be taken.
8. The Board and CFT agree that each building should have supervised space provided for students who are sent out of the classroom. The parties, in conjunction with the District discipline committee(s), shall maintain a District-level plan to provide for (a) such space in each building, (b) the supervision of students sent out of the classroom, and (c) the guidelines and procedures for referring students from and returning them to the classroom. Each Building Council will have the responsibility for implementing a building plan in accordance with the District plan.
9. In the event a bargaining unit member suspects a student has made an unauthorized audio and/or video recording of the bargaining unit member, the bargaining unit member may so notify their building administrator. Upon notification, the administrator shall investigate the allegations and take the appropriate steps necessary to ensure Board Policy 7:190 is upheld. The administrator shall inform the bargaining unit member making the report and the CFT President of the results of the investigation and the steps taken.
10. Crisis Plans (or any such emergency plans) shall be reviewed on a yearly basis with input from CFT Leadership. Principal-Steward teams will share the current plans with all bargaining unit members at the beginning of each year, ensuring that they know the evacuation plans and expectations. In the event of a crisis, administration shall communicate with all staff in an appropriately timely manner regarding the nature of the event and the steps taken to mitigate the event. Additionally, all schools shall participate in an active shooter or ALICE (Alert, Lockdown, Inform, Counter and Evacuate) drill within the first month of each school year.

F. Suspension and Expulsion Procedures

Procedures for suspension and expulsion of pupils from school should annually be distributed to bargaining unit members and parents.

2. Any alleged case of assault upon a bargaining unit member in the line of duty shall be promptly reported to the Principal. The Principal shall provide the bargaining unit member with the Employee Accident, Assault, and Injury packet, which the bargaining unit member shall complete and submit to the Principal. The Principal will forward the form to the Superintendent or their designee, who in turn will send it to the CFT. The Board shall render reasonable assistance to the bargaining unit member in connection with handling of the incident by law enforcement and judicial authorities.
3. Time lost by the bargaining unit member directly concerned with any incident mentioned in this Section shall not be charged against the bargaining unit member. Any additional member of Unit 4 shall be released, when subpoenaed, to testify in behalf of a bargaining unit member with no loss of status, remuneration, or any other benefits.
4. Principals shall provide bargaining unit members with a copy of the Board Policy and Procedures on Staff Injury/Assault in the faculty handbooks and review it by September 15 of each school year.

H. Hazardous Conditions

It is the responsibility of bargaining unit members to bring any unsafe or hazardous conditions to the attention of the Building Principal and the Superintendent or their designee. The Principal or Superintendent or designees thereof shall investigate alleged unsafe or hazardous conditions. A Hazardous Conditions Committee shall be formed by the Administration with CFT representation and will address issues such as lead, asbestos, mold, pests, radon, etc. The committee shall meet at least quarterly. The duties of the committee will include but are not limited to developing a system to track instances of hazardous occurrences, developing procedures to reduce exposure to hazardous materials, and providing a plan and education about how to identify and respond to hazardous conditions (such as whom to notify, how quickly to respond, and how to follow up with staff).

I. Grade/Record Keeping Days

Except at CECC, bargaining unit members shall be given two early release days at the end of the first semester for the purpose of grade and record keeping activities and one early release day at the end of the second semester. High school bargaining unit members will follow the same exam schedule for early release days in the second semester.

During the term of the Agreement, the parties will continue to explore methods and make efforts to minimize the amount of paperwork associated with grade and record keeping.

Except at CECC, there shall be four professional development days that are scheduled as follows: one-half of each day shall be devoted to professional development related activities under the direction of the Administration, planned in consultation with bargaining unit members (8:00 AM – 11:30 AM), and the other half of the day shall be devoted to student assessment related activities under the self-direction of the bargaining unit members at their buildings. On non-Parent-Teacher Conference days, student assessment related activities time may be scheduled from 8:00-11:30 and professional development related activities may occur in the afternoon. Bargaining unit members at CECC shall have three (3) non-student attendance days in October and three (3) non-student attendance days in March to accommodate family conferences, record keeping days and professional development.

The parties recognize that Grade/Record Keeping days can fall on either SIP or Institute Days. The scheduling of such days shall be determined at the time the District Calendar Committee engages in calendar developments.

J. Professional Learning/Collaboration Days

Bargaining Unit Members shall be guaranteed three (3) hours each school year during one of the SIP/Institute Days in the month of August to complete mandated trainings through the District's online platform (currently *SafeSchools*).

Beginning with the 2026-2027 school year, there shall be three professional learning/collaboration days that are scheduled as follows: one-half of each day shall be devoted to professional learning/collaboration activities directed by the Administration, and the other half of the day shall be devoted to course/grade/position alike collaboration-related activities under the direction of the Administration, planned in consultation with bargaining unit members. While the District calendar committee shall determine the exact days, the parties recommend that they occur on Mondays or Fridays during the months of November, February, and April. (In the event the District is not granted a waiver by the Illinois State Board of Education for these non-student attendance days, the parties agree to negotiate an alternative plan for professional learning/collaboration.)

K. Student Grades

Should any change in a student grade be requested, the change must be preceded by a conference between the Principal and teacher where such persons are reasonably available. In the event a grade change is made by an administrator, such change shall be the administrator's responsibility and the teacher shall be notified of such change.

L. Tentative Assignment

Bargaining unit members shall be notified in writing of their tentative assignment prior to the end of the current school year. In the event any change in the assignment becomes necessary, the bargaining unit member shall be notified promptly, and an effort shall be made to consult with the bargaining unit member. After July 1, if a bargaining unit member does not wish to accept the change in assignment, they shall have the option of resigning, provided the resignation is submitted within ten (10) days of the notification. The bargaining unit member shall not be required to teach outside the limits of their license and major or minor field of study except in any emergency or for reasonable cause.

M. Equipment, Supplies, and Facilities

The District shall provide:

1. A locking space for each bargaining unit member to store coats and personal effects.
2. Whiteboards with markers and/or interactive boards in every classroom.
3. Storage space within the building for instructional materials.
4. A computer with Internet access, paper, pencils, pens, erasers, and other materials required in their daily teaching responsibilities. The District will make every effort to provide quality materials and supplies.
5. Telephone facilities in at least one staff lounge in each attendance center.
6. Each school with duplicating machines which bargaining unit members may operate but not repair. Bargaining unit members will not be required to pay for copies.
7. Copies of all resources included in the curriculum adoption (teacher's manuals, digital resources, and required supplemental materials) for their individual use of every teacher required to instruct students in a particular course or curricular area.
8. Each student with required textbooks and workbooks (digital or print-based) and any other required supplies identified in the curriculum adoption process.

O. Classroom Interruptions

Classroom interruptions shall be kept to a minimum.

P. Early Childhood Class Composition & Caseload

1. Early childhood teachers in "blended" classrooms shall have no more than six (6) students with IEPs per morning and afternoon class. Students with Speech only eligibility shall not be counted in this limit.
2. No more than 12 students will be assigned to any Early Childhood teacher's regular Special Education case management load at a given time. A Speech Language Pathologist's regular case management load is defined by State law.
3. For each student a Case Manager is assigned above the maximum, they shall receive three (3) hours of additional compensation at the extra duty rate if they were required to hold an Annual Review, EDC, or any other meeting requiring IEP writing. The teacher shall receive the three (3) hours of pay regardless of the actual number of hours worked to provide case management services.

Q. K-Young Adult Caseload

1. Speech-Language Pathologists - A Speech Language Pathologist's regular case management load is defined by State law.
2. Each full-time K-12 Special Education teacher shall be allotted 30 "points" to build their caseload. Caseloads will be based on the ranking of student need directly aligned with [ISBE's EE Codes](#) (Educational Environment):
 - 1 Point is equivalent to:
 - EE Code 01 indicating the student spends 80% or more of the school day in the general education regular classroom.
 - 2 Points is equivalent to:
 - EE Code 02 indicating the student spends 40-79% of the school day inside the regular classroom.
 - 3 points is equivalent to:
 - EE Code 03 indicating the student spends less than 40% of the day inside the regular classroom.
3. When a Case Manager is assigned a caseload above the 30 points maximum, they shall receive three (3) hours of additional compensation at the extra duty rate for each student beyond the regular caseload for whom they were required to hold an Annual Review, EDC, or any other meeting requiring IEP writing. The teacher shall receive the three (3) hours of pay regardless of the actual number of hours worked to provide case management services.

R. Speech Language Pathologist Class Lists

A Speech Language Pathologist's regular class list is defined by State law. Speech Language Pathologists who are employed part-time will be given a class list scaled to their percentage of FTE.

Speech Language Pathologists shall receive a credit of three (3) students toward their class list limit if they provide supervision for a Speech Language Pathologist candidate in their Clinical Fellowship Year (CFY), when the placement is approved by the Executive Director of Special Education or designee.

S. Preparation of IEPs

Special education teachers and SLPs who also serve as case managers for students shall receive an annual stipend of \$600 for the preparation of IEPs. Bargaining unit members employed under the "Case Manager" job description shall not be eligible for this stipend.

T. MLL Caseload Guidelines

Each full-time MLL teacher shall be allotted 30 "points" to build their caseload. Caseloads will be based on students' prior year's ACCESS or move-in MODEL screener scores as follows. Students enrolled in Dual Language programs shall not be included in the calculation.

ACCESS/MODEL Score	Multiplier
1.0-1.9	1.5
2.0-2.9	1.25
3.0-3.9	1.0
4.0-4.7	0.75

When a Case Manager is assigned a caseload above the 30 points maximum, they shall receive three (3) hours of additional compensation at the extra duty rate for each student beyond the regular caseload.

U. Preparation of MLL Records ("Purple Folders")

MLL teachers required to prepare MLL Records shall receive a one-time annual stipend of \$200 for completion of these duties.

V. KIDS Assessment

Kindergarten teachers who have to administer the KIDS assessment will receive a one-time annual stipend of \$200 upon submission of their assessment data to the State if they complete this data entry outside of regular working hours. Annually, elementary principals will share their KIDS assessment implementation plans with each other, building stewards and kindergarten teams in order to identify best practices in supporting kindergarten teachers.

W. Internal Substitution

If a substitute teacher is not available, bargaining unit members will be utilized to ensure adequate coverage for students. Internal substitution shall be defined as providing additional coverage for teaching or supervision outside a bargaining unit member's regular assignment. Bargaining unit members will be paid the extra duty rate when providing internal substitution services during their planning period, supervision period, team time, or during any other open times in their schedules. They will also be paid the extra duty rate when another teacher's class roster is split (as described below). The chart below outlines expectations for internal substitution coverage.

<i>Pre-K and Elementary</i>	
Voluntary Subbing	Volunteers who can give up their planning or supervision periods will be sought before any bargaining unit member is required to provide internal substitution services.
Non-Classroom Teacher Rotation	Principals will use an internal substitution rotation to assign coverage when absences cannot be covered by bargaining unit members voluntarily giving up their planning or supervision periods. Interventionists, Instructional Coaches, Enrichment teachers (when not included in the Specials rotation), MLL teachers, and Librarians (PreK Only) shall be included in the rotation. The rotation should take into account teachers' schedules and student loads, building staffing levels, etc. The rotation should be reviewed with affected staff members at the start of the year and will be used when assigning internal substitution coverage. Supervision, lunch/recess duty, or Administrative support coverage shall not be included in the rotation.
Required Subbing	Bargaining unit members may be required to provide internal substitution services during their supervision period, planning period, team time, or during any other open times in their schedules.
Prohibited Subbing	No bargaining unit member may provide internal substitution services during their duty-free lunch period. Internal substitution for Specials, Library, or Enrichment may only be covered with volunteers. The Non-Classroom teacher rotation may not be used for this purpose.
No Coverage Available for Specials/Library	When a bargaining unit member has their class returned to them due to the absence of a Specials teacher or Librarian, the bargaining unit member shall be compensated at the extra duty rate.
No Coverage Available for Enrichment	In the event no external substitute is available for the Enrichment period, the classroom teacher shall keep their students but shall not be provided additional compensation.

Co-Taught Classes	• The District will only separate co-teachers for internal substitution in other classrooms when it is absolutely necessary or as a last resort. • If a co-teacher is absent, the District will assign an external substitute, if available. Teachers shall not be compensated for internal substitution services in the event a co-teacher is not present and an external substitute cannot be found. • In co-taught classrooms, every student is the responsibility of both teachers because the normal class/student load for each teacher is defined as those students on the bargaining unit member's daily classroom roster for which they are responsible. A class roster is not the same as a case list. • A Special Education teacher is responsible for program management of students on their case list. It does not necessarily mean that the Special Education teacher sees/has a particular student in class on a daily basis.
Split Rosters	Bargaining unit members will be paid at the extra duty rate when additional students are added to their class beyond their normal class/student load (which is defined as those students on the bargaining unit member's daily classroom roster for which they are responsible). In co-taught classrooms, every student is the responsibility of both teachers and the absence of one co-teacher shall not be considered a split roster for the co-teacher who is present.
Compensation for Full Day Substitution	Bargaining unit members who provide internal substitution services in a Pre-K or elementary classroom for a full student attendance day shall not be eligible for more than five (5) hours of extra duty compensation, unless they also provide coverage during their preparation period.
Proration of Compensation for Teaching	Bargaining unit members will receive a minimum of one hour of extra duty pay for each instance they provide internal substitution services. After the first hour, extra duty compensation will be prorated using quarter hour increments.
Proration of Compensation for Supervision	In instances where a bargaining unit member is required to cover the supervision assignment of another member, extra duty pay will be prorated using quarter hour increments.
Teacher Aide Absences	All efforts shall be made to provide coverage for Teacher Aide absences; however, in the event no coverage can be found, members shall not be provided additional compensation for the unfilled position (unless they are required to give up their plan time to provide supervision for students).

<i>Secondary (including 6-8 at a K-8 or PreK-8 Campus)</i>	
Voluntary Subbing	Volunteers will be sought before any bargaining unit member is required to provide internal substitution services.
Required Subbing	Bargaining unit members may be required to provide internal substitution services during their supervision period, planning period, team time, or during any other open times in their schedules.
Prohibited Subbing	No bargaining unit member may provide internal substitution services during their duty-free lunch period.
Co-Taught Classes	• The District will only separate co-teachers for internal substitution in other classrooms when it is absolutely necessary or as a last resort. • If a co-teacher is absent, the District will assign an external substitute, if available. Teachers shall not be compensated for internal substitution services in the event a co-teacher is not present and an external substitute cannot be found. • In co-taught classrooms, every student is the responsibility of both teachers because the normal class/student load for each teacher is defined as those students on the bargaining unit member's daily classroom roster for which they are responsible. A class roster is not the same as a case list. • A Special Education teacher is responsible for program management of students on their case list. It does not necessarily mean that the Special Education teacher sees/has a particular student in class on a daily basis.
Split Rosters	Bargaining unit members will be paid at the extra duty rate when additional students are added to their class beyond their normal class/student load (which is defined as those students on the bargaining unit member's daily classroom roster for which they are responsible). In co-taught classrooms, every student is the responsibility of both teachers and the absence of one co-teacher shall not be considered a split roster for the co-teacher who is present.
Proration of Compensation for Teaching	Bargaining unit members will receive a minimum of one hour of extra duty pay for each instance they provide internal substitution services. Bargaining unit members who provide internal substitution coverage for both periods of a Middle School ELA block shall be compensated at the extra duty rate for each hour of coverage.
Proration of Compensation for Supervision	In instances where a bargaining unit member is required to cover the supervision assignment of another member, extra duty pay will be prorated using quarter hour increments.
Teacher Aide Absences	All efforts shall be made to provide coverage for Teacher Aide absences; however, in the event no coverage can be found, members shall not be provided additional compensation for the unfilled position (unless they are required to give up their plan time to provide supervision for students).

1. The parties agree that a paid mentoring program is essential for the development of successful bargaining unit members and the education of the District's students. Therefore, the parties agree that the District shall continue with the following mentoring program that is aligned with Illinois School Board of Education's and IFT's requirements for a successful induction program.

The following will continue to be essential elements of the mentoring program and the parties agree to work collaboratively to maintain them.

- A job description for the Mentor
- A District curriculum for Mentors
- The District curriculum will not limit the Mentor/Mentee relationship and will support the work being done with the Novice Bargaining unit member.
- The District will collaborate with the CFT in development of the proposed curriculum.
- Meetings will be held monthly, for seven months, for all Mentors/Novices to provide training and support. These meetings will be held after school, but will not exceed two hours.
- The Mentor, the Novice, and Principal will collaborate at least quarterly regarding progress, concerns, and any needs for support. The purpose of this collaboration will be to help the Novice be successful. The input will not be a part of the evaluation process.
- No Mentor shall be assigned more than one mentee without the approval of the CFT President.

Any changes to the mentoring program shall be negotiated with the CFT prior to any changes being made.

2. Novice Mentors, Support Mentors, and Consulting Teachers shall be chosen from a list that is provided by the CFT.
3. Transition Mentors - Non-Novice bargaining unit members in their first semester of service shall be provided a Transition Mentor at the non-novice bargaining unit member's request.

4. Consulting Teachers - Participation in a remediation plan by a Consulting Teacher shall be voluntary. Any teacher utilized as a Consulting Teacher shall be given release time as determined by the Assistant Superintendent of Human Resources, the CFT, and the teacher.

Beginning on the date the Consulting Teacher is first assigned, the Consulting Teacher will be compensated at 50% of the contractual differential rate for that school year to be paid during the Spring Semester of that school year. Beginning with the following school year, the Consulting Teacher will be compensated at 50% of the contractual differential rate for that school year to be paid during the Fall Semester of that school year.

5. All second-year probationary bargaining unit members in need of assistance will receive a paid Support Mentor by December 12. Building administrators shall provide such bargaining unit members and their mentors with release time for direct observation. A bargaining unit member in their third or fourth probationary year will receive a Support Mentor if requested. However, approval from the Assistant Superintendent of Human Resources is required for a bargaining unit member entering their final probationary year to begin the year with a mentor.
6. The Consulting Teacher for tenured staff and the Support Mentor for non-tenured staff will collaborate with the evaluator and the bargaining unit member having difficulty regarding the specific challenges to be addressed. The Consulting Teacher or Support Mentor will not be used as an evaluator. Input may be provided, but the personnel recommendation regarding the bargaining unit member is entirely an administrative responsibility.
7. Compensation for Mentors shall be according to the differential pay schedule in the appendices to this agreement or the table at the beginning of this section.

Y. Expanded Teaching Assignments

Teachers who teach an additional class period above their regular 1.0 FTE assignment shall have their pay increased by 20% of their base salary (excluding differentials). This additional class period may be taught during the teacher's supervision period or preparation period.

Elementary teachers may also take on an additional instructional period with students at another campus prior to the start of their regular work day (for example, a teacher at a late start elementary school providing services at an early start school in the morning) or after their regular work day ends (for example, a teacher at an early start elementary school providing services at a late start school in the afternoon).

Expanded teaching assignments shall be voluntary. Human Resources shall offer teachers the opportunity to express interest in an Expanded Teaching Assignment at the start of each school year. The list of interested teachers shall be shared with principals. Both parties agree that these assignments are intended to be temporary in nature.

Z. Novak Academy

At the time of hire, the Board shall notify bargaining unit members assigned to the Novak Academy of the possibility of a change in shift assignment during the school year. If such a change becomes necessary, the Board shall promptly notify the bargaining unit member in writing and consult with the CFT. In addition, the Board shall negotiate with the CFT over any impact associated with the change. The Board may only modify the starting and ending times of a shift effective at the beginning of the school year.

AA. Faculty & Department or Grade/Team Level Meetings

Bargaining unit members shall attend one required Faculty Meeting and one required Department or Grade/Team Level Meeting each month. These meetings shall occur on two Mondays each month, as identified on the official calendar of faculty meeting dates published and distributed to bargaining unit members annually. These meetings shall start within 15 minutes of student dismissal time and last no more than sixty (60) minutes.

The parties acknowledge that bargaining unit members have a professional obligation to attend and participate in these meetings. Anytime they cannot attend a meeting, bargaining unit members are expected to collaborate with a colleague or Administration to obtain all information that was shared.

Except for when bargaining unit members are unable to attend these meetings due to coaching/sponsorship of District athletics/activities or full-day absences excused due to illness, unexcused absences may be documented as part of the Performance Evaluation process.

AB. Additional Professional Obligations

The parties acknowledge that bargaining unit members have a professional obligation to attend and participate in other meetings and events outside of regular school hours to enhance the educational experience for students and families. These include the following:

- Parent-Teacher Conferences
- Open House/Meet the Teacher Night
- Future 6th Grade/Future Freshman Night

AC. Lesson Plans

The parties acknowledge that all teachers are expected to prepare daily lesson plans. The format of any and all lesson plans shall be at the discretion of each individual teacher preparing lesson plans. Teachers shall not be required to turn in lesson plans at regular intervals (for example, every Monday). All lesson plans shall incorporate the elements listed in the *Curriculum Evaluation Manual (Revised 2011)*. As part of a Professional Development Plan or Remediation Plan, nothing in this Section shall prevent District administration from requiring specific content or formatting, or from requiring plans to be submitted at a regular interval.

AD. Kindergarten Class Size

1. After the first four (4) weeks of school, when a kindergarten class roster exceeds twenty-two (22) students for ten (10) consecutive school days, the teacher of that class will be provided a Licensed Substitute Teacher (preferably assigned as a long-term substitute) or Teacher Aide (TA) until the number of students falls below the class size limit.
2. If a Licensed Substitute Teacher or Teacher Aide is not provided, the teacher of the class shall be entitled to additional compensation during weeks a licensed Substitute Teacher or Teacher Aide should have been provided as follows:
 - The week must have three (3) or more student attendance days.
 - The teacher of the class will receive a stipend of \$75 per week. To receive the additional compensation, the teacher of the class shall complete an additional timesheet listing each week of the overage and attach a copy of their class roster.

AE. 1st and 2nd Grade Class Size Stipends

After the first four (4) weeks of school, when a 1st or 2nd Grade class roster exceeds twenty-five (25) students for ten (10) consecutive school days, the teacher of that class shall be entitled to additional compensation as follows until the number of students falls below the class size limit:

- The week must have three (3) or more student attendance days.
- The teacher of the class will receive a stipend of \$75 per week. To receive the additional compensation, the teacher of the class shall complete an additional timesheet listing each week of the overage and attach a copy of their class roster.

AF. Home/Community Visits

Bargaining unit members who wish to conduct home visits (or visits with families in other community locations) outside the regular work day shall participate in a mandatory training each year that is provided by CFT. Annually, CFT shall share training materials with the Board at Areas of Consultation. Bargaining unit

members shall be compensated at the extra duty rate for up to twenty-one (21) hours per year for conducting visits outside the regular work day or will receive up to three (3) days of personal leave added to their bank at the rate of one additional Personal Leave day for every seven (7) hours of visits conducted. If bargaining unit members choose to coordinate the visit with another trained member of the bargaining unit, both members shall be compensated. To receive this compensation, the bargaining unit members must document the visit with their building principal, noting the time, location and the name(s) of the parents or guardians they met with.

AG. School Security Cameras

Video footage from security cameras will not be used for evaluation purposes. Video footage from security cameras may be used in disciplinary cases as supporting evidence. In such cases, the union will have the right to view any relevant video footage for purposes of representation. Additional school security cameras will not be installed in classrooms without conversation with the union.

ARTICLE VII - LEAVES AND TRANSFERS

A. Voluntary Transfer

1. All transfers shall be processed by the Superintendent or their designee.
2. A number of factors determine which requests for transfer may be granted. In every case, first consideration must be given to the best interests of the students. However, whenever it is compatible with the best interests of the students, the welfare and wishes of bargaining unit members should form the basis of transfer.
3. Currently employed in-District bargaining unit members shall have the right to interview for any open positions for which they are qualified or licensed. Bargaining unit members must apply for each open position. The hiring administrator may schedule interviews and must interview all in-District applicants within the following guidelines:
 - a. Interviews may be held after the end of the business day on the third day through 48 hours or the end of the fifth business day (not including Saturday or Sunday) after the Vacancy Posting deadline. However, all in-District applicants who notify the hiring administrator (up to the start of the interview process) of their interest in the vacant position have the right to be interviewed for that vacant position during this time frame.
 - b. In-District applicants who notify the hiring administrator of their desire for an interview after the three-day posting and following the 48 hours or fifth business day (not including Saturday or Sunday), shall not be guaranteed an interview for the vacant position if the interviews have already been scheduled by the hiring administrator.
 - c. It is the responsibility of the applicant to know when interviews will be conducted. The applicant may contact the appropriate hiring administrator building to determine the interview date and time.
 - d. A bargaining unit member who has been recommended for nonrenewal for the upcoming school term may apply for any open position and the hiring administrator will review and consider the application, but the bargaining unit member is only guaranteed one interview per building at which they apply.
4. All other things being equal, it is advisable for probationary bargaining unit members to remain in the same position during the probationary period. Only in cases where the best interests of the bargaining unit member or the school system shall be served will a request for a transfer of a probationary bargaining unit member be honored.

B. Involuntary Transfer

1. If it is necessary to transfer bargaining unit members for curriculum, budget or building needs, bargaining unit members shall be transferred on the basis of length of service and qualifications—unless the needs of the students otherwise require.

2. Prior to a transfer, a meeting shall be held with the member being considered for a transfer, administration and a CFT representative. The meeting shall provide an opportunity for problem-solving prior to the occurrence of an involuntary transfer.
3. In the event a bargaining unit member is relocated, the moving of all equipment, materials, and supplies shall be performed by someone other than the bargaining unit member, unless the bargaining unit member desires to move their equipment, materials, and supplies.
4. Seniority shall mean length of full-time continuous service in the District in any position which requires a license, including time on an approved leave of absence. Seniority shall begin with the date of hire.
5. Any bargaining unit member whose building assignment is changed after July 31 but prior to the start of the school year shall be compensated at the extra duty rate for up to 35 hours to prepare.
6. Any bargaining unit member whose building assignment is changed after the start of the school year shall be compensated at the extra duty rate for up to 35 hours to prepare outside the regular work day or shall be given three work days to prepare at the new location.

C. Sick Leave

1. Every full-time licensed bargaining unit member employed by the District less than ten (10) years shall, without deduction in pay, be entitled to twelve (12) days sick leave per year. Every full-time licensed bargaining unit member employed by the District for ten (10) years or more but less than twenty (20) years shall, without deduction in pay, be entitled to fifteen (15) days sick leave per year. Every full-time licensed bargaining unit member employed by the District for twenty (20) years or more shall, without deduction in pay, be entitled to twenty (20) days sick leave per year.

Every part-time licensed bargaining unit member employed 50% or more of the time shall, without deduction in pay, be entitled to a pro rata proportion of days sick leave per year as such part-time employment bears to full-time employment, e.g., a half-time bargaining unit member shall receive six (6) days sick leave per year.

Sick leave (leave necessitated by personal illness, mental or behavioral health complications, quarantine at home, or serious illness or death in the immediate family or household) shall be cumulative without limit. Immediate family shall be here understood to include an employee's spouse, partner of a civil union, domestic partner (if an Affidavit of Domestic Partnership is on file in Human Resources), child, step-child, grandchild, mother, father, step-parent, brother, sister, aunt, uncle, niece, nephew, or grandparent of either the employee or employee's spouse, partner of a civil union, or domestic partner (if an Affidavit of Domestic Partnership is on file in Human Resources).

2. If a bargaining unit member is employed above 50% for a year, is credited with sick leave and then is employed under 50% during the subsequent year, they may use the accumulated sick leave until it is exhausted. No sick leave is credited for the year when an employee works less than 50% of the time.

D. Sick Leave Bank

Each bargaining unit member has the right to participate in the sick leave bank by contributing one (1) accumulated sick day per year to the sick leave bank.

The sick leave bank shall be governed by a joint management-union committee. This committee shall have equal numbers of representatives from the administration and from the CFT. The CFT President shall select two bargaining unit members and the Superintendent shall select two administrators. All decisions of the committee shall be by a majority vote of the committee. The committee shall not meet unless all four appointed members are present. Additional guidelines of the committee shall be established by the committee. The decisions of the committee shall be final and not subject to the grievance procedure. This committee shall meet at least once every two months.

The program shall be voluntary, but only bargaining unit members who contribute to the bank shall be able to participate in the program. Bargaining unit members may contribute additional sick days to the sick leave bank.

To make a withdrawal from the sick leave bank, the bargaining unit member must have exhausted their sick leave. The bargaining unit member must apply to the committee for the withdrawal. Award of time to part-time bargaining unit members shall be on an hourly basis to reflect regularly scheduled hours of work.

E. Bereavement Leave

1. The Board will grant a full-time bargaining unit member up to two paid bereavement days per year for each death in a member of the bargaining unit member's immediate family, as defined in Section C(1). A part-time licensed bargaining unit member employed 50% or more of the time shall be entitled to one such day per year for each death. Sick leave shall not be charged for the use of bereavement leave under this Section.
2. Other accrued leave may be used for additional bereavement leave upon exhaustion of the "base" bereavement leave days. Employees may also be eligible for additional unpaid bereavement leave under the Family Bereavement Leave Act (FBLA), Child Extended Bereavement Leave Act, or Victims' Economic Security and Safety Act (VESSA).

F. Personal Leave

1. The Board and the CFT agree that for bargaining unit members who have been employed by the District for less than ten (10) years, three (3) days of the twelve (12) sick leave days may be used for personal leave. For bargaining unit members who have been employed by the District for ten (10) years or more but less than twenty (20) years, the Board and CFT agree that four (4) days of the normal annual allotment of sick leave may be used for personal leave. For bargaining unit members who have been employed by the District for twenty (20) years or more, the Board and CFT agree that five (5) days of the normal annual allotment of sick leave may be used for personal leave.

Personal leave is for the purpose of attending to personal, legal, household or family matters that require absence during school hours. Except in emergencies, the bargaining unit member shall request such leave on forms provided by the District, processed by their Principal or Director and the Superintendent or their designee, at least two school days in advance of the day they are to absent. It is accepted that personal leave may not be used to receive remuneration or to seek employment.

Personal Leave shall be cumulative with employees having a maximum limit of six (6) personal leave days at any one time. If an employee would exceed more than six (6) personal leave days upon receiving a new allotment of personal leave days at the start of a given year, the excess days will instead be credited to the employee's sick leave.

2. For purposes of a leave taken prior to and/or following a vacation, the bargaining unit member shall request said leave in writing at least fifteen (15) working days prior to said leave. No more than five percent (5%) of the bargaining unit staff in any building or one (1) bargaining unit member in case of buildings with less than twenty (20) bargaining unit members may take personal leave on the same day. However, in cases of bona fide emergency, up to ten percent (10%) of the bargaining unit staff in any building may take personal leave on the day before or after a vacation. Said determination shall be made on the basis of the first requests. Unused personal leave days become part of the sick leave accumulation.

G. Notice of Absence

The Board and the CFT agree that staff members shall cause reasonable notice to be given to the Principal or their designee, or other appropriate administrative position, by telephone or otherwise, of intended absence from school and return to duty so that a substitute may be obtained. In case notice of return is not given by the close of the previous school day, and a substitute reports, said bargaining unit member shall be considered absent for that day. The bargaining unit member would then have the option of taking personal leave or have the absence evaluated to see if sick leave applies.

H. Professional Leave

Professional leave may be supported in part by District funds. If a bargaining unit member has received prior approval to attend a professional meeting, a portion of the expenses may be paid and a substitute will be provided (if necessary). Prior recommendation by the Principal and prior approval by the Superintendent or their designee is necessary, with requests for approval made fifteen (15) school days in advance.

I. Sabbatical Leave - Sabbatical leave may be granted under the following conditions:

1. Bargaining unit members shall be eligible after completion of six (6) full years' service in the Unit 4 school system.
2. During absence pursuant to such leave, such bargaining unit member, Principal or Superintendent shall receive the same basic salary as if in actual service, except that there may be deducted there from an amount equivalent to the amount payable for substitute services. However, such shall in no case be less than the minimum provided by Section 24-8 of The School Code or 1/2 of the basic salary, whichever is greater.
3. Sabbatical leave may be granted for resident study, research, travel, or other purposes designed to improve the school system. The grant of a sabbatical leave by the Board constitutes a finding that the leave is deemed to benefit the school system by improving the quality and level of experience of the workforce.
4. Sabbatical leaves will be limited to four (4) bargaining unit members per year.
5. Bargaining unit members on sabbatical leave shall retain employment status while on leave, relating to membership in the retirement system, eligibility, and any other fringe benefits.
6. Before a sabbatical leave is granted, the applicant shall agree in writing that, if at the expiration of such leave they do not return to and perform contractual continued service in Unit 4, at least two (2) full school terms after their term, all sums of money received from the Board during their sabbatical leave will be refunded to the Board unless such return and performance is prevented by illness and incapacity. The refund shall be prorated if the bargaining unit member returns for one (1) year, but less than two (2) years.

J. Leaves of Absence Without Pay

Leaves of absence may be granted to tenured bargaining unit members under the following:

1. A tenured bargaining unit member may be granted a leave of absence for the following reasons:
 - a. prolonged illness
 - b. needed rest
 - c. necessities of the home and allied reasons
 - d. where such an absence would beneficially contribute to education in the Unit 4 school system.
2. Requests for leave without pay shall be filed with the Superintendent or their designee. The reason for the request and the period for which the leave is being requested shall be stated.
3. A bargaining unit member returning from a leave of absence will be placed on the salary schedule at the step they would have been on the first year of the leave, had they not taken the leave and providing that other bargaining unit members have been granted the step increase. An exception to this provision shall be that, if the activities of the bargaining unit member during their leave could be considered comparable to activities that were valid for sabbatical leave, then the bargaining unit member shall be placed at that step on the salary schedule they would have achieved had they not taken the leave.
4. The bargaining unit member on such leave shall give notice of intent to return by registered mail at least ninety (90) days prior to the close of the school term preceding such return. Failure to provide notice becomes equivalent to a resignation.

5. Upon their return, a bargaining unit member shall be returned to a vacancy for which they are licensed and qualified in accordance with the Rules and Regulations of the State Board of Education (currently State Board of Education Document No. 1).
6. The maximum term for such leave shall be one (1) school year. A bargaining unit member may apply for a second year.
7. All accumulated benefits and rights of employment previously gained shall be reinstated upon return.
8. Exchange Teaching Program; Cultural Travel or Work Program; Foreign or Military Teaching Program; Volunteer Service Leave; Non-Teaching Affiliations.

A leave of absence of up to one (1) year shall be granted to any bargaining unit member, upon application, for the purposes of participating in:

- a. exchange teaching programs in other territories or countries;
- b. international or military teaching programs;
- c. the Peace Corps, Teachers' Corps or Job Corps as a full-time participant in such program;
- d. cultural travel or work program related to their professional responsibilities;
- e. The Illinois Federation of Teachers or the American Federation of Teachers as an officer or staff member of the Union.

The bargaining unit member on such leave shall give notice to return in accordance with Subsection 4 hereof. Upon return from such leave, a bargaining unit member shall be placed at the same position on the salary schedule as they would have had they taught in the District during such period. In leaves of (d) above, the provisions of Subsections 3 and 4 hereof shall apply.

K. Maternity/Paternity/Child-Rearing Leaves of Absence

Non-Tenured Bargaining Unit Members

- a. Requests for leave should be made with the Principal and Human Resources.
- b. FMLA-eligible bargaining unit members may request leave up to the maximum allowed under the FMLA (currently 12 weeks) for the birth of a child and to care for the newborn child within one year of birth or the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement.
- c. An FMLA-eligible bargaining unit member who has exhausted their FMLA allotment may request up to an additional six (6) weeks of child-rearing leave. Employees must use any accrued leave they have available but may take unpaid leave if they do not have enough accrued leave for the duration of the absence.
- d. Bargaining unit members who are not eligible for FMLA leave may request up to six (6) weeks of leave for the birth of a child and to care for the newborn child within one year of birth or the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement. A bargaining unit member who undergoes a C-Section may request up to eight (8) weeks of leave.
- e. In accordance with the FMLA, the Board shall continue to make Board-paid insurance contributions during all FMLA-designated leave and any time beyond twelve (12) weeks for which the bargaining unit members is permitted to use accrued sick leave. The bargaining unit members may maintain insurance benefits for the remainder of the leave by making timely payments of all premiums which may be due to Human Resources.
- f. Bargaining unit members returning from leave shall be reinstated in their former position (in the event only FMLA leave is used) or equivalent position (in the event additional leave is used beyond the FMLA allotment). Although a bargaining unit member may end their FMLA-designated leave at any time, a

bargaining unit member may not return early from any previously requested and approved child-rearing leave taken following the FMLA leave.

- g. A bargaining unit member granted a leave of absence hereunder shall agree as a condition precedent to waive any claim to unemployment compensation.

Tenured Bargaining Unit Members

- a. Requests for leave should be made with the Principal and Human Resources.
- b. FMLA-eligible bargaining unit members may request leave up the maximum allowed under the FMLA (currently 12 weeks) for the birth of a child and to care for the newborn child within one year of birth or the placement with the employee of a child for adoption or foster care and to care for the newly placed child within one year of placement. The first ten (10) days of any leave granted under this provision shall be at full pay, and the bargaining unit member shall not be required to use their accrued leave.
- c. An FMLA-eligible bargaining unit member who has exhausted their FMLA allotment may request additional child-rearing leave for a period not to exceed the balance of the school term in which it commences and one (1) additional school year. During the first six (6) weeks of leave, employees must use any accrued leave they have available but may take unpaid leave if they do not have enough accrued leave for the duration of the absence. All leave after the FMLA period plus the six (6) weeks of child-rearing leave shall be unpaid.
- d. Written notification of a request for leave beyond the FMLA allotment shall be made to Human Resources at least sixty (60) calendar days prior to the commencement of the leave. Requests for leave beyond the FMLA allotment during the upcoming school year must be made by June 1 of the prior school year.
- e. In accordance with the FMLA, the Board shall continue to make Board-paid insurance contributions during all FMLA-designated leave and any time beyond twelve (12) weeks for which the bargaining unit member is permitted to use accrued sick leave. - g. Bargaining unit members returning from leave shall be reinstated in their former position (in the event only FMLA leave is used) or equivalent position (in the event additional leave is used beyond the FMLA allotment). Although a bargaining unit member may end their FMLA-designated leave at any time, a bargaining unit member may not return early from any child-rearing leave taken following the FMLA leave.
- h. When the leave is for eight (8) calendar months or more, the bargaining unit member shall advise Human Resources, in writing, no later than January 15 prior to the termination of such leave that they intend to return to employment. Failure to timely advise Human Resources of intent to return as required by the preceding sentence shall be treated as an election not to return to employment and as a resignation from the District.
- i. Any bargaining unit member who has been employed ninety-three (93) or more days of the school year prior to the commencement of such leave shall be entitled to such advancement on the salary schedule as they would have had if the leave had not been granted. If the leave exceeds the school term in which such leave commences, the second school term shall not be considered for step advancement on the salary scale unless the bargaining unit member works ninety-three (93) or more days of the school year.

- j. A bargaining unit member granted a leave of absence hereunder shall agree as a condition precedent to waive any claim to unemployment compensation.

L. Military Leave

- 1. An employee who is an active member of the National Guard or any branch of the Armed Reserve Forces who is mobilized during the school year shall be granted a military leave at full pay. An amount equal to the salary and other allowances while on active duty shall be deducted from the bargaining unit member's salary. The military leave will expire at the time of the demobilization.
- 2. An employee taking a military leave will notify their Principal and the Superintendent or their designee of the date(s) needed for the military leave as early as possible. One (1) copy of verifying orders will be forwarded to the Superintendent or their designee via the respective Principal.
- 3. All accumulated benefits and rights of employment previously gained shall be retained upon return.
- 4. Earnings and TRS contributions for employees taking military leave will be reported to TRS in accordance with TRS guidelines.

M. Jury Duty/Witness Leave

The District will pay full salary during the time a bargaining unit member is on jury duty or if a bargaining unit member is subpoenaed by a clerk of a court and served on the employee to attend as a witness at a trial or to have their deposition taken in any school-related matter pending in court. The bargaining unit member shall remit to the District the reimbursement given to them for jury duty, excluding out-of-pocket cost for transportation and parking as determined by the county.

N. Religious Leave

- 1. Pursuant to applicable State law, bargaining unit members who decide not to use their personal leave days and who desire to take time off from work in order to practice their religious beliefs will be permitted to engage in work during hours other than the employee's regular working hours, consistent with the operational needs of the District, and in order to compensate for work time lost for religious reasons.
- 2. In order for a bargaining unit member to take time off from work to practice their religious beliefs, the bargaining unit member must give the Assistant Superintendent of Human Resources or their designee written notice at least five (5) calendar days prior to the day the bargaining unit member intends to take off.
- 3. Grievances alleging violation of this Section may be processed only through Step 3 of the grievance procedure.

O. Job-Sharing

- 1. A tenured bargaining unit member may, at the discretion of the Board and subject to such terms and conditions as the bargaining unit member and the Board (through its Administration) may agree upon, obtain a leave to participate in a District job-sharing or part-time arrangement. The bargaining unit member may request a CFT representative to attend any conference at which the terms of a leave are to be discussed. Job-sharing and part-time arrangements may continue from year to year provided that the bargaining unit member requests and the Board approves an annual extension, and further provided that a job-share or part-time position is not split between two school years.
- 2. A bargaining unit member in a job-sharing or part-time position may return to full-time employment only at the beginning of a school year, provided that they have notified the District in writing of their desire to do so prior to February 1 of the preceding school year.

Beginning with the 2025-2026 school year, experienced bargaining unit members and related service providers entering or re-entering the bargaining unit shall be granted full credit for each year of experience (except that any bargaining unit member who resigns their employment on or after August 1, 2025 but returns to the District before August 1, 2027 will be placed on the salary schedule at their previous step in the District upon their return. Private sector experience will only be credited if the employee is hired into a related service provider position substantially similar to the position held in the private sector (e.g., if a newly hired School Social Worker served as a Social Worker in private practice).
6. Advancement on the Salary Schedule:
 - a. Any bargaining unit member on the salary schedule shall advance on the salary schedule upon presentation of sufficient evidence of credit earned to Human Resources.

Enrollment in an advanced degree program is not required, however. - Courses labeled “not for degree credit,” “professional development courses,” etc. will NOT be accepted.

B. Reopening of Fringe Benefit Provisions - Conditions

For the purposes of this Section, fringe benefits shall be defined as any compensation other than direct wages that are received by an employee under the terms of this Agreement which are financed either wholly or in part by the employer, or by means of a salary reduction agreement between the employer and the individual employee. If a change in applicable Federal or State statute(s) causes a previously untaxed fringe benefit to become a portion of an employee's taxable compensation, then the parties agree to reopen the Agreement for negotiations; the Agreement shall be reopened for negotiation only to the extent necessary to deal with the specific fringe benefit(s) which have heretofore been untaxed but which have become taxable.

C. Group Health Insurance

During the term of this Agreement, the CFT and the Board agree to use health care plans to be negotiated each plan year. For the 2025-2026 school year, the following Blue Cross Blue Shield of Illinois BlueChoice Select Network plans shall be offered: PPO \$0/\$3000 1000 Copay (\$794 single premium cost), the PPO \$0/\$3000 2000 Copay (\$776 single premium cost), the PPO 2000 (\$731 single premium cost) and the PPO HSA 5000 (\$614 single premium cost).

If the foregoing plans are not available in subsequent years, or upon mutual agreement of both parties, the Board agrees to negotiate with CFT for new and/or substitute plans. The new plans will have at least the same level of benefits and comparable level of coverage. The parties agree to establish a Joint Committee comprised of equal representatives to study health insurance plans. The parties will schedule their first meeting to negotiate health care plans to occur no later than April 15 each year.

The Board will contribute up to the following amounts per month for the bargaining unit member's single health insurance premium if they choose one of the Point of Service (POS) plans.

2025-2026: \$794

2026-2027: \$873

2027-2028: \$960

Bargaining unit members may apply the dollar value toward the single, employee plus one, or family premium for any of the negotiated plans chosen by the employee.

For each bargaining unit member who selects one of the non-HSA plans, the Board will also pay an additional \$300 per month for members who choose an employee plus one or family plan.

For each bargaining unit member who selects the HSA plan, the Board shall deposit the difference between the monthly premium cost and the dollar amount above plus an additional \$300 into an HSA, but shall not exceed the maximum annual limit set by the IRS.

The parties acknowledge that the HSA shall be administered in accordance with IRS regulations and participation in the HSA may prevent a bargaining unit member from also participating in the Flexible Benefit Plan.

When two bargaining unit employees are spouses and elect employee plus one or family coverage in any of the plans, (or one spouse is in the bargaining unit and the other works for the District in a benefits qualifying position outside of the bargaining unit), the District shall apply one Board paid single coverage insurance premium toward the cost of single coverage and the other Board paid single coverage insurance premium toward the cost of employee plus one or family coverage. The parties agree that this provision applies to dental and vision coverage as well.

For example, if both Jane and John Doe elect employee plus one or family coverage, then the Does would have \$794 x 2, or \$1588 plus \$600 for a total of \$2188 per month applied to their premium in 2025-2026.

The Board may opt to implement a self-funded health insurance plan in lieu of a fully insured plan as long as the benefits associated with the plan remain substantially the same.

D. Dental Insurance

For the term of this Agreement, the Board will contribute the cost of any increase in single dental insurance premium up to \$35 per month.

E. Vision Insurance

For the term of this Agreement, the CFT and the Board agree that the Eye Med Standard Plan Vision Plan or a comparable plan shall be provided to all bargaining unit members. The cost of the single premium shall be paid by the Board, up to \$5 per month.

F. Group Life Insurance

The Board shall provide for all full-time licensed employees represented by the CFT, the sum of \$25,000 in term life insurance. Supplemental options will be made available.

G. Flexible Benefit (Section 125) Plan

H. Insurance Cancellation

The Board reserves the right to cancel insurance after 30 days for non-payment of premiums in cases where the employee is required to pay the premium to maintain coverage while on a contractual leave.

I. Section 403(b) and 403(b)(7) Plans

1. Effective with the 2016-2017 school year, the District will switch to a “vendor pay” model for the purposes of administering its 403(b) Plan. As a result of this change, the District will ask all vendors participating in the Plan to pay the costs of administering the plan.
2. If a vendor chooses not to absorb these costs and instead passes them on to the employee, the District will “make whole” any employee charged such a fee by the vendor. To receive reimbursement for such fees, the employee will submit appropriate documentation to the Accounts Payable Department at the end of each semester or each year. All reimbursement requests must be submitted prior to June 30 of each year.
3. Current employees affected by this change will be notified via letter from the Human Resources Department. Employees who join the plan in the future will be notified of the reimbursement option via letter from the Human Resources Department in the 403(b) Plan enrollment packet.
4. If the expected cost savings for the District do not materialize, the District reserves the right to end the reimbursement option and return to the “employer pay” model at any time. In such instance, affected employees will be notified via letter from the Human Resources Department.

J. Mileage Reimbursement

Approved mileage reimbursement shall be at the rate established by the IRS.

K. Time to Travel

Bargaining unit members whose assignment requires them to travel between facilities during the day shall be provided the necessary time to complete such travel between buildings. Such time shall be determined by the bargaining unit member and the building administrators involved, but in no event shall such time exceed twenty (20) minutes or such other reasonable time agreed upon by the bargaining unit member and affected building administrators. Travel time shall not include duty-free lunch.

They will not be paid for the actual presentation itself. Paid planning time (as determined by administration) may also be offered for professional development staff members lead outside of the regular work day and will be quantified in the internal posting.

The parties recognize and agree that, in order to secure future grants, it may be necessary to pay for professional services at a rate of less than the extra duty rate. If such should be the case, the Administration shall so advise the CFT, and an alternative rate shall be determined.

5. Substitute Planning/Grading Support - Members who assist with grading and planning during long-term absences may be compensated at the extra duty rate for up to five (5) hours per week. Prior written approval from a Human Resources Administrator is required. Requests for up to ten (10) hours of extra duty compensation may be considered.

Teachers shall not be permitted to provide homebound instruction during their regular work day.

7. Administrative Support/Coverage - The District will provide supplemental pay to a bargaining unit member who serves as a building administrator in the absence of Administration. Failure to meet either deadline will result in non-payment for the extra duty.

1. A differential is an amount paid to a bargaining unit member for certain responsibilities or duties beyond their regular class load. The differential is paid in addition to the regular salary. All paid differentials are listed in the Appendix. Bargaining unit members shall have the right to be considered through an interview for an extracurricular differential position for which they apply.
2. High School Content Area Chairs (CACs) will be released from one supervision period. They shall support the curriculum adoption/implementation/inventory process. N. Support for District Recruiting Efforts

Bargaining unit members who recruit for the District shall be provided \$150 per day for each actual day of recruitment on a college campus at a recruiting fair or interview day. This does not include any travel days and will be payable after the trip.

Bargaining unit members shall receive a recruiting incentive of \$250 if a candidate they refer is hired for a hard-to-fill bargaining unit position or a Teacher Aide position in Unit 4 Schools. In order to be eligible for the incentive, a bargaining unit member must recommend, follow through and assist the building administrator with the recruiting and hiring of the candidate in a hard-to-fill or Teacher Aide position. The candidate must actually sign a contract and begin the work year. Signing a contract, and turning it down later before actually working, will not qualify the recruiter for the incentive. A Teacher Aide must remain employed beyond their probationary period before the incentive is paid. Eligibility to receive an incentive will be determined by the Assistant Superintendent of Human Resources and/or the Superintendent.

O. Hard to Fill Positions

By December 1 of each school year, the District shall finalize a list of “hard to fill” position categories for the upcoming school year. The list and the accompanying rationale shall be provided to the CFT President by November 1 of each year for review. Any external candidate hired to fill one of these vacancies shall initially be placed on the salary schedule at a Step that is one greater than the one on which they should otherwise have been placed.

Additionally, the District may, at its discretion, pay tuition and fees for any bargaining unit member seeking to gain an endorsement or additional licensure in one of the listed hard to fill position areas. Bargaining unit members in programs that require a clinical experience may be given release time in order to fulfill the requirements of the program. Annually, the District shall determine the amount of funding available for such tuition payments and the hard to fill areas being targeted under this provision. Funding allowances and the process by which to request tuition payments shall be announced by February 1 of each year for the upcoming school year. The District shall collaborate with CFT on the process used to select individual bargaining unit members whose tuition is being paid.

P. Student Loan Assistance

The District shall offer a student loan assistance program. A maximum of twelve (12) bargaining unit members per year shall be permitted to enter this program. To be eligible for assistance, a member must meet the following criteria:

Bargaining unit members who resign or are terminated from Champaign Unit 4 Schools prior to completing two (2) years of service after the most recent disbursement of funds will be required to repay \$1,000 to the District. (For example, if an employee receives \$1,000 during the 2021-2022 school year and ends employment prior to the end of the 2023-2024 school year, the employee will need to repay \$1,000.)

By participating in the program, bargaining unit members consent to the District withholding all or part of their final paychecks to fulfill all or part of this obligation. If the final paycheck does not cover the entire cost of repayment, bargaining unit members agree to arrange for prompt repayment of any remaining balance.

Q. Compensation Schedule

1. The Board will continue to pay the employee's contribution to the Teachers' Retirement System (TRS 4-01-20A/77) as a direct Board contribution. Should the amount required to be contributed to TRS by the employee be increased legislatively, the employee shall pay any amount over the employee contribution as of July 1, 2012. It is the intent of the parties by this Agreement to qualify these payments as contributions within the meaning of Section 414(h) (2) of the Internal Revenue Code so as to be excludable from the gross income of all bargaining unit members.
 - a. The bargaining unit members shall have no right or claim to the funds so remitted except as they may subsequently become available upon retirement or resignation from the State of Illinois Teachers' Retirement System.
 - b. No bargaining unit member shall have the option of choosing to receive the amounts contributed by the Board directly, and the assumption and payment of the bargaining unit member's required contribution to the Illinois Teachers' Retirement System is a condition of employment made in order to secure the bargaining unit member's future services, knowledge and experience.
 - c. The balance of the amount due each bargaining unit member pursuant to such Compensation Schedule shall be as otherwise provided herein, provided the Board shall deduct there from all monies as required by law or as authorized by the bargaining unit member pursuant to this Agreement, or as otherwise authorized by the Board.
 - d. Internal Revenue Service Revenue Rulings indicate that the amounts paid the State of Illinois Teachers' Retirement System (which do not include sums due for the survivors' annuity account) are properly excludable from the gross income of the bargaining unit member for income taxation purposes, and the District will not withhold Federal and State income taxes on funds remitted to the State of Illinois Teachers' Retirement System on behalf of bargaining unit members.
2. The salary schedules for the 2025-2026 School Year through the 2027-2028 School Year are included in the appendices of the Agreement. Bargaining unit members will receive increases in the following amounts:
 - a. 2025-2026: Step 1 from the 2024-2025 salary schedule has been increased by 3%. Year 1 (SY 2025-2026) steps have been standardized at 1.75%.

All returning bargaining unit members who were employed prior to the 2025-2026 school year and return in 2025-2026 will receive a 4.75% increase over their 2024-2025 salary. Each bargaining unit member shall then be placed at a step on the new salary schedule that is closest to the 4.75% increase without being below a 4.75% increase.

Bargaining unit members hired for the 2025-2026 school year will be placed on the salary schedule using the normal placement procedure for new hires.

If any bargaining unit member resigns their employment on or after August 1, 2025 but returns to the District before August 1, 2027, they will be placed on the salary schedule at their previous step in the District upon their return. They may, however, also receive credit for years of external experience earned between their departure date and return date.

- b. 2026-2027: Step + 3.75% (5.50% total raise)
 - c. 2027-2028: Step + 3.50% (5.25% total raise)
3. Notwithstanding the compensation schedule or any other benefit which qualifies as TRS creditable earnings, no bargaining unit member who is within four years of being eligible for regular retirement under the Illinois Pension Code shall receive in excess of a 6% aggregate annual increase in TRS creditable earnings. By no later than March 1 each school year, bargaining unit members shall be responsible for verifying with the District their years of TRS creditable service and sick leave from other school districts. The parties agree that if legislation is enacted or administrative rules adopted during the life of this Agreement that affects the Board's obligation to pay a penalty for salary increases in excess of 6% under the Illinois Pension Code, the parties agree to meet within thirty days of the passage of the legislation to renegotiate this provision. If the pension law changes the 6% limitation to a different amount, then the aggregate annual increase will adjust to the new amount.
4. School Social Worker, School Psychologist, Speech-Language Pathologist, Occupational Therapist, and School Counselor Placement on the Salary Schedule - The parties agree that because an employee was enrolled in a specific Master's Degree program and was required to complete an internship as part of their program, at the time of hire the employee will be placed at the minimum level of MA + 30 on the salary schedule. Graduate hours earned beyond the Master's Degree will be counted towards the MA + 60 lane placement.

R. Deduction and Revocation Issues

The Board will deduct from the pay of each bargaining unit member all current membership dues of the CFT, provided that at the time of such deduction the Board has received a current signed authorization card for dues deduction, executed by the bargaining unit member.

The Board will commence dues authorizations within 30 days of notice from the CFT and in occurrence with the terms of an employee's written authorization, which is included on the CFT's dues authorization card.

The Board will direct dues revocation requests to the CFT. The CFT will process and notify the Board of any revocations. The Board will not process dues revocations that they receive directly from a bargaining unit member without review with CFT.

The Board shall rely on information provided by the CFT regarding whether dues deductions were properly authorized, revoked, canceled, or changed, and the CFT shall indemnify the Board for any damages and reasonable costs incurred for any claims made by employees for deductions made in good faith reliance on that information.

S. National Board Certificate

1. The Board shall pay a stipend to each teacher who acquires a National Board Certificate equal to \$1,500 per year for each year the teacher maintains such certification. At the end of the certification period, the teacher must recertify in order to continue to be eligible for the stipend. Teachers who are new hires to the District will be paid \$1,500 per year for the remaining years on their certificates. Subject to the receipt of funding from the State Board of Education, the District shall reimburse a teacher who acquires National Board Certification for the teacher's out-of-pocket application fees up to a maximum reimbursement of \$2,500.
2. Due to the position of School Psychologist being a shortage area in Unit 4, the District will pay an annual stipend of fifteen hundred dollars (\$1,500) to a School Psychologist who is a Nationally Certified School Psychologist provided that the credential is awarded through the National School Psychology Certification System of the National Association of School Psychologists.
3. The District shall pay an annual stipend of fifteen hundred dollars (\$1,500) to a School Social Worker who is a Licensed Clinical Social Worker.

1. The length of the regular student attendance day shall increase to six hours and fifty minutes each day effective with the start of the 2023-2024 school year at all K-5 and K-8 campuses.
2. A task force consisting of administrators, teachers appointed by CFT, and other stakeholders shall work on a plan to ensure successful development and implementation of the extended K-5 and K-8 day, including a bell schedule for each campus and other scheduling logistics associated with this proposal. This task force will also problem solve ways to increase PD time for CECC and Young Adult Program staff. In addition, teachers at each K-5 and K-8 campus will be given an opportunity for input.
3. When developing the plan, the task force shall operate within the following parameters.
 - a. The start time for all campuses shall be between 7:45 a.m. and 9:00 a.m., unless the task force recommends a time outside that range.
 - b. The task force shall complete its work and the District shall announce the start and end times for each campus no later than May 1, 2023.
 - c. All bargaining unit members shall arrive for supervision 25 minutes before student learning begins.
 - d. All bargaining unit members shall remain for supervision 5 minutes after student learning ends.
 - e. The bargaining unit member workday shall increase by 5 minutes.
 - f. Twenty-five minutes of new classroom instructional time shall be added.
 - g. All classroom teachers shall supervise a recess block of 15 minutes outside the lunch/recess block.
 - h. Five (5) additional minutes shall be added to the bargaining unit member lunch period.
 - i. Five (5) additional minutes shall be added to the Specials and Library period.
 - j. Five (5) additional minutes shall be added to the bargaining unit member planning period.
 - k. The student lunch/recess block will be 35 minutes at all K-5 schools, with at least 15 minutes being recess time.
 - l. To support after school supervision of students, each K-5 and K-8 campus will be allocated a “Supervision Stipend Pool” in the amount of \$8,000 to divide among staff members who volunteer to assist with the supervision of students after school. In the event there are insufficient volunteers, administration, in its sole discretion, shall assign bargaining unit members within the building based on inverse order of seniority.
4. In consideration for the extension of the student schedule, any elementary bargaining unit member hired on or before June 30, 2023 who is not within four years of being eligible for regular retirement under the Illinois Pension Code will be paid an annual salary beginning in 2023-2024 that is \$2,500 greater than the salary they would otherwise earn per the District’s salary schedule for the duration of this Agreement. The parties will adjust a Memorandum of Agreement that outlines how those bargaining unit members who are within four years of eligibility for regular retirement under the Illinois Pension Code in the 2023-2024 school year will be compensated.

Elementary Scheduling

1. All classroom teachers will be provided at least 270 minutes of planning time per week.
2. Classroom teachers, Interventionists, and ELL teachers shall have six (6) periods of forty-five (45) minutes weekly. The standard planning period at the elementary level will be forty-five (45) minutes. Planning minutes for each period shall be consecutive and not broken into smaller chunks.
3. Classroom teachers, Interventionists, and ELL teachers shall use one planning period every month for collaboration with Administration. Principals and grade level teams will create the agenda together (either in person or electronically). On collaboration days, bargaining unit members shall still have a self-directed preparation period.
4. One forty-five (45) minute class period each week shall be spent in the library as part of the planning time cycle. Elementary classroom teachers will not be required to remain with their students during the library period.

7. Specialists teachers and librarians shall be allocated five (5) minutes of “set up” time between classes. Each building will determine sufficient passing time to move students to and from Specialists classes.
8. Full time librarians will be assigned at all elementary schools except Southside. Elementary librarians will teach one forty-five (45) minute period for each class in the building each week as part of the classroom teacher planning cycle. Remaining class periods will be scheduled into the library as needed.
10. If any Specialists teacher must be transferred to the middle school level, transfer will be done in accordance with Article VII.B.
11. Full-time Specialists teachers may be assigned supervision or tutorial duties during the school day if their schedules reflect unassigned blocks of time or more than ten (10) minutes.
12. The elementary librarians’ caseloads shall not exceed more than 28 classes per week. At no time should the total classes exceed 28 per week. Elementary librarians shall have at least 240 minutes per week for library management time. The rationale for this agreement is to provide the librarians with the necessary time to function as professional school library media personnel.
13. Enrichment implementation plans for each school will be reviewed annually at Areas of Consultation.

APPENDIX 2

Club Sponsorships

The District acknowledges the benefits of participation in extracurricular activities in the academic and social development of students. A primary goal of the establishment of stipends for new clubs/organizations is to provide organizations an opportunity to attract diverse student groups. Prospective sponsors and Building Councils should consider how new proposed clubs will serve students from a variety of racial, ethnic, linguistic, and socioeconomic backgrounds.

Guidelines for the Establishment of Clubs

1. Applications for club sponsorships will include the number of hours required for the sponsorship.
2. When requesting dollar amounts, sponsors should consider how often the club will meet and multiply that amount of time by the hourly rate. For example, a club that meets once a week for a quarter (9 weeks) might request \$315.00.
3. Approved applications will be provided to the sponsor submitting the application. A copy of the approved application will be forwarded to the Human Resources Department.
4. Applications not approved will be returned by the Principal to the person submitting the application. A brief explanation will be provided to the person who submitted the application.
5. Applications for club sponsorships will be approved by the Building Council. Building Councils shall have the authority to approve sponsorships at an amount less than or equal to the requested dollar amount.
6. The sponsor will be paid a stipend that equates to the dollar amount approved by Building Council.
7. The hourly rate for the sponsorship is the negotiated rate for extra services.
8. Each club will be reviewed annually by the Building Council and Principal for continuation.
9. Athletic endeavors are not considered clubs. Athletic stipends must be approved through the campus athletic director and the district supervisor of athletics.
10. The sponsors will be notified within ten (10) school days of the Building Council's decision.
11. The total amount of funding available for elementary schools is four thousand dollars (\$4,000) per school. The total amount of funding available for K-8 schools and middle schools is five thousand dollars (\$5,000) per school. The total amount of funding available for high schools is eight thousand dollars (\$8,000) per school. The total amount of funding available for the Novak Academy is fifteen hundred dollars (\$1,500).

APPENDIX 3

Internal Vacancies

As Principals are able to internally transfer licensed staff within their buildings into positions for which staff members are licensed, the CFT and Board agree that this transfer process includes any new positions (newly allocated or newly vacated) within a building. The Principal should notify staff of the new vacancy in writing; however, the normal District-wide posting requirements do not apply. If the vacancy results in an increase in FTE (for example, .5 enrichment to 1.0 enrichment), the position increase must be posted District-wide or otherwise negotiated.

If there is a vacancy and a licensed staff member is transferred, the CFT and Board understand that this process may result in a “chain reaction” as other licensed staff are transferred internally as well to fill the newly created vacancies.

Any actual vacancies which result after all internal transfers are carried out must be reported to Human Resources promptly and publicly posted as required.

The CFT and Board agree that licensed staff should not be transferred capriciously, but only when it is in the best interest of the building and its students.

APPENDIX 4

Related Services Coverage

In the event that a member of the Special Education related services team (Psychologist, Social Worker, Speech-Language Pathologist, OT, PT) is on an approved leave of absence for greater than 10 school days or a vacant position is unfilled for greater than 10 school days and no coverage from other sources is found, then the following procedures will be followed to ensure services are provided to students.

The parties acknowledge that all related service providers are entitled to a daily planning period (as well as a lunch period). Additionally, the parties recognize that all Psychologists and Social Workers are expected to provide “on demand services” daily based on student needs. In an effort to quantify this time for the purposes of this memorandum, the parties agree that each 1.0 FTE Psychologist and Social Worker shall be allotted one hour per day in their daily schedule for on demand services.

1. The Executive Director of Special Education or designee will review student needs that will be unmet as a result of the leave or vacancy as well as the current schedule of all related service providers who could support the leave/vacancy.
2. The Executive Director or designee will review the leave/vacancy to determine how it might be manageable for other related service providers within the District to cover. The Executive Director will also contact related service providers in the affected provider group to solicit interest in supporting the leave/vacancy.
3. Members being considered to cover the position shall meet with the Executive Director of Special Education or designee to discuss the following:
 - a. The current schedule of the member including groups, supervision, meetings, lunch, plan time, and building expectations.
 - b. The current make-up of the member’s caseload and the projected additional caseload.
4. Using feedback from the member(s) providing coverage, the Executive Director of Special Education or designee shall craft a coverage schedule that meets the critical needs of all students and will discuss the following items:
 - a. Expected duration of coverage
 - b. Size of caseload to be covered
 - c. Location of coverage
 - d. Total amount of hours to be paid for coverage
5. Members providing these additional services shall be paid at the hourly extra duty rate for the following:
 - a. Any work scheduled to be completed before or after their home school’s regular school hours
 - b. Any work scheduled during the member’s preparation period
 - c. Any work that would result in a Psychologist or Social Worker losing the one hour per day they would typically have for on-demand services as described above
 - d. Up to ten (10) hours of time spent outside the regular work day preparing to support the added students
6. If at any point during the coverage, schedules or caseloads change, the member can request an additional meeting with the Executive Director of Special Education or designee to review and possibly amend the coverage schedule.
7. All positions open due to resignations shall remain posted externally until filled.
8. Nothing in this agreement shall prevent the use of contracted services to ensure student needs are met.

APPENDIX 5

Classroom Moves Related to Construction After August 2025

In the event that a bargaining unit member is required to move classrooms because of construction either within a building or to another building, they shall be entitled to the following.

A. Logistics

1. All official communication regarding the move will be reviewed by the Human Resources Department prior to dissemination to staff members.
2. Members will be notified about the specifics of the move, including the date by which all their materials must be packed, at least one month in advance of the move.
3. When packing is to commence at a campus, boxes that have already been assembled shall be provided by the District.
4. When unpacking is underway at a campus, the District shall have designated, non-bargaining unit staff present during all regular work hours to assist with moving boxes and furniture as needed.
5. If a member does not wish to pack their materials, the District shall make alternate arrangements to pack and relocate them.

B. Compensation

1. Licensed staff will be paid up to ten (10) additional hours at the extra duty rate for a “packing day” outside of regular work hours during the spring semester prior to the move. Each bargaining unit member must complete their packing no later than two days after the last official day of school.
2. Licensed staff will be paid up to twelve (12) additional hours at the extra duty rate for an “unpacking day” during the summer when the move is complete. Each bargaining unit member must complete their unpacking prior to the first contract day of the new school year, if possible.
3. For moves that occur mid-year, bargaining unit members will be paid up to ten (10) hours for packing and up to twelve (12) hours for unpacking.
4. Actual dates and times of the hours worked will be determined by the bargaining unit member within the established parameters. Requests for payment must be presented on an Additional Timesheet, signed by the Principal, and submitted to the Payroll Department for processing.
5. Some programs require the movement of significantly more materials and supplies than others. The CFT President may submit a request to the Assistant Superintendent of Human Resources for additional hours of packing and/or unpacking time for such programs. These requests will be reviewed and granted at the District’s sole discretion.
