***SUPERINTENDENT'S REPORT – Recognition and Informational Items*****Student Recognition**

Dr. Sefcik introduced Malia Henriot, in the presence of her Mom, as the January Student of the Month. She read Malia's profile of accomplishments, which included academic achievements, extracurricular activities, service to the community, what she enjoys in her spare time, and future plans. Dr. Sefcik offered Malia the opportunity to speak to the Board and she thanked the Board for the honor. She also wanted to thank her parents for their love and support, the Art Department for the many creative opportunities, and her teachers and friends that helped in many ways. The Board and audience applauded Malia and Dr. Sefcik presented her with a certificate to commemorate being chosen as the January Student of the Month.

**Excellence in Education Award Winner Recognition**

Dr. Sefcik asked Principal Schmidt to introduce the Excellence in Education Award Winners. Dr. Schmidt introduced Czara Trujillo, Paraprofessional, and read the reasons from her peers why she was chosen, such as her contributions to the LOP program, being a mentor and advocate, recognizing and responding to the students' individual needs, and so much more. Czara said how honored she was to receive this recognition and thanked her family for their support. Dr. Schmidt then introduced Michael Gaughan, Social Worker, and read the reasons from his peers why he was chosen, such as his ability to connect with students, leading by example, his collaboration efforts, to name but a few. Michael said this award is bigger than himself, it's all of the Grant staff that work for the greater good. He thanked the Board, administration, the person that nominated him, and his family for their support. The Board and audience applauded these two exemplary educators.

**Semester One Activities Update**

Dr. Sefcik turned it over to Kevin Geist, Assistant Director of Activities and Athletics to share the first semester co-curricular highlights. They included Overall Participation, Outstanding Student Participation in Activities, and Detailed Club Participation-Fall 2024. He provided details on many 1<sup>st</sup> semester activities, such as Homecoming activities, band, the fall play, choir, and the math team. Dr. Sefcik added that the Superintendent's Student Council has been asked to provide ideas that promote student participation in activities.

**Girls' Flag Football Proposal**

Dr. Sefcik reported that Dave Behm, Athletic Director, submitted a proposal to add girls' flag football for the 2025/26 school year. The procedures for adding a new sport were followed by the administration prior to presenting the proposal to the Board for consideration. Program participation numbers by gender were evaluated and the District would remain Title IX compliant with this addition. Mr. Behm provided information from the proposal including competing activities for participants, sharing of facilities, equipment, season calendar, levels, and financial needs. He said how IHSA skipped the emerging sport step for flag football and went directly to sport. He noted how quickly it has grown throughout the state, the interest is very high. The Jr. Bulldogs program is also running teams so the participation numbers should continue to grow.

**Vision 2030**

Dr. Sefcik reminded the Board of our support of Vision 2020 a decade ago that resulted in many positive changes. Leadership from the five statewide educational organizations (Illinois Association of School Administrators, Illinois Association of School Boards, Illinois Principals Association, Illinois Association of School Business Officials, and Illinois Association of Regional School Superintendents) have assembled again to advocate for K-12 public education changes. The key tenets of Vision 2030 include Future-Focused Learning, Shared Accountability, and Predictable Funding.

#### Principal Search Update

Dr. Sefcik asked Dr. Schmidt to provide the Board with this update. He told the Board that posting for the 2025/26 principal position was held from November 12 – December 31. Initial interviews took place during the week of January 6, 2025 and three candidates were chosen to move forward. A second round of panel interviews took place the week of January 13, 2025. The 45-minute panel interviews consisted of three groups of stakeholders: students, parents and non-instructional individuals, and teacher leaders, union, and non-certified staff. They will narrow it down to two finalists. The administration is optimistic there will be a recommendation for hire at the February Board meeting.

#### Principal's Report

Dr. Schmidt presented his monthly report which included information on Semester One Grades, Semester Two Preparations, Professional Development, and Summer School Enrollment. He also added that ACT Prep classes are in the works.

## ***BUSINESS AFFAIRS***

### Banking Services Request for Proposals

Mrs. Reich informed the Board that the District's banking services have been the same for the last 13 years. During the last week in October, she requested proposals for banking services to determine if we are receiving the best services and rates, and lowest fees. These proposals were due back on December 10, 2024 and she has been reviewing the proposals that were received. Interviews will be scheduled in the next few weeks and she intends to make a recommendation to the Board at the February meeting.

### Audit Services Request for Proposals

Mrs. Reich stated that the District's 3-year agreement with our current auditor is up now that the 2023/24 audit is complete. In early spring, a request for proposal of auditing services will be sent to auditing companies in an effort to compare pricing and services. After a full review of all proposals, she will bring a recommendation to the Board and hopes to implement a new auditing firm effective with the 2024/25 audit.

## ***OTHER BUSINESS***

Principal's Report to the Board of Education

Dr. Jeremy Schmidt

### **Bridging Student Transitions to High School**

- **Curriculum Nights:** With the January 8th Grade Curriculum and Enrollment Nights complete, and 307 of 383 families in attendance, we are looking ahead to the April 9 Activity and Athletics Fair. All incoming freshmen families are strongly encouraged to attend this event, as it will introduce students to all of Grant's co-curricular and extracurricular offerings. Additionally, students will be able to sign up for a variety of summer camps available at the event.
- **Bulldog Buzzfeed:** Over the past year, the Student Council has worked to develop a program called Bulldog Buzzfeed to amplify students' voices in school. The program utilizes the Student Council as the hub for other student groups to expand their reach and influence by coordinating to run campaigns that bring awareness/advocacy to meaningful topics.

This spring, Bulldog Buzzfeed will be going out to our feeder schools to help our future Bulldogs transition into high school. In coordination with multiple student groups including the Principal's Advisory Council and Student Council, Grant students are planning to set up a "booth" where students will be encouraged to come to the table to receive small prizes like candy, Grant stickers, pens, etc. if they "Ask a Bulldog" a question about high school. If they don't have a question, they can pull a card from a bucket, and they will get asked a high school-related question, which they then try to answer.

The goal of this activity is simply to create an additional opportunity for incoming freshmen to make a connection to Grant and to start thinking about themselves in high school. The target dates to make these visits are the week of March 17.

- **Music in Our Schools Month Performance:** On March 5, 2025 Grant's Performing Arts Society will collaborate with future musicians from Gavin, Stanton, Palombi, and Big Hollow in a performance for parents, friends, each other, and community members in the Field House. Multiple teacher articulations and student rehearsals have taken place over the year to plan for this event. The efforts of all the directors are certainly appreciated, and we look forward to the combined performances of our current and future Bulldogs.

### **Assessment/Testing Updates**

- English Language Testing: The Access testing window is January 15 - March 4. Locally at Grant, testing is well underway. All students who qualify for English Language (EL) services are required to take the annual assessment. This year, 175 students will be tested. Test results are anticipated in May. This assessment is electronic, has multiple testing sessions, and must be proctored by a qualified teacher. Divisional Administrator, Veronica Lukemeyer, has been diligently working with EL staff and the Technology Team to complete this required testing.

## Student Representative to the Board of Education February Report

### **Preparing for Next Year**

Many extracurricular activities have started planning for next year. NHS has already started the application process and in a few weeks there will be the induction ceremony.

On a similar note applications have opened for next year's student representative to the board of education.

And finally students have mostly done their part in selecting their schedules for next year, all that is left is for courses to be scheduled.

### **State Competitions**

In the past month we had several teams go to state including dance, cheer, bowling, and choir. All teams did very well and dance got to go to nationals this past week! FBLA had their regional competition last month and almost 30 students qualified to go to state in April.

### **Events**

#### **Talking Bulldogs Showcase**

On February 7th the speech team had a student showcase right before regionals. This was good practice for them, a chance to show off what they have been working on, and a fun event for students and families to attend.

#### **Pie A Teacher**

At the pep rally the speech team is hosting a pie a teacher event. Students can either nominate a teacher or purchase a raffle ticket to participate. All proceeds are going to the speech team.

#### **Grants Got Talent**

March 7th is our school variety show, run by Mr. Austin with help from NAHS. This is one of the biggest events of the year, both in terms of student excitement and fundraising for NAHS.

## BOARD OF EDUCATION

### **2:265 Title IX Sexual Harassment Grievance Procedure**

Sexual harassment affects a student's ability to learn and an employee's ability to work. Providing an educational and workplace environment free from sexual harassment is an important District goal. The District does not discriminate on the basis of sex in any of its education programs or activities, and it complies with Title IX of the Education Amendments of 1972 (Title IX) and its implementing regulations ([34 C.F.R. Part 106](#)) concerning everyone in the District's education programs and activities, including applicants for employment, students, parents/guardians, employees, and third parties.

#### Title IX Sexual Harassment Prohibited

Sexual harassment as defined in Title IX (Title IX Sexual Harassment) is prohibited. Any person, including a District employee or agent, or student, engages in Title IX Sexual Harassment whenever that person engages in conduct on the basis of an individual's sex that satisfies one or more of the following:

1. A District employee conditions the provision of an aid, benefit, or service on an individual's participation in unwelcome sexual conduct; or
2. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's educational program or activity; or
3. *Sexual assault* as defined in [20 U.S.C. §1092\(f\)\(6\)\(A\)\(v\)](#), *dating violence* as defined in [34 U.S.C. §12291\(a\)\(10\)](#), *domestic violence* as defined in [34 U.S.C. §12291\(a\)\(8\)](#), or *stalking* as defined in [34 U.S.C. §12291\(a\)\(30\)](#).

Examples of sexual harassment include, but are not limited to, touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics, spreading rumors related to a person's alleged sexual activities, rape, sexual battery, sexual abuse, and sexual coercion.

#### Definitions from [34 C.F.R. §106.30](#)

*Complainant* means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.

*Education program or activity* includes locations, events, or circumstances where the District has substantial control over both the *Respondent* and the context in which alleged sexual harassment occurs.

*Formal Title IX Sexual Harassment Complaint* means a document filed by a *Complainant* or signed by the Title IX Coordinator alleging sexual harassment against a *Respondent* and requesting that the District investigate the allegation.

*Respondent* means an individual who has been reported to be the perpetrator of the conduct that could constitute sexual harassment.

*Supportive measures* mean non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the *Complainant* or the *Respondent* before or after the filing of a *Formal Title IX Sexual Harassment Complaint* or where no *Formal Title IX Sexual Harassment Complaint* has been filed.

### Title IX Sexual Harassment Prevention and Response

The Superintendent or designee will ensure that the District prevents and responds to allegations of Title IX Sexual Harassment as follows:

1. Ensures that the District's comprehensive health education program in Board policy 6:60, *Curriculum Content*, incorporates (a) age-appropriate sexual abuse and assault awareness and prevention programs in grades pre-K through 12, and (b) age-appropriate education about the warning signs, recognition, dangers, and prevention of teen dating violence in grades 7-12. This includes incorporating student social and emotional development into the District's educational program as required by State law and in alignment with Board policy 6:65, *Student Social and Emotional Development*.
2. Incorporates education and training for school staff pursuant to policy 5:100, *Staff Development Program*, and as recommended by the Superintendent, Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, or a Complaint Manager.
3. Notifies applicants for employment, students, parents/guardians, employees, and collective bargaining units of this policy and contact information for the Title IX Coordinator by, at a minimum, prominently displaying them on the District's website, if any, and in each handbook made available to such persons.

### Making a Report

A person who wishes to make a report under this Title IX Sexual Harassment grievance procedure may make a report to the Title IX Coordinator, Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any employee with whom the person is comfortable speaking. A person who wishes to make a report may choose to report to a person of the same gender.

School employees shall respond to incidents of sexual harassment by promptly making or forwarding the report to the Title IX Coordinator. An employee who fails to promptly make or forward a report may be disciplined, up to and including discharge.

The Superintendent shall insert into this policy and keep current the name, office address, email address, and telephone number of the Title IX Coordinator.

Processing and Reviewing a Report or Complaint

Upon receipt of a report, the Title IX Coordinator and/or designee will promptly contact the *Complainant* to: (1) discuss the availability of supportive measures, (2) consider the *Complainant's* wishes with respect to *supportive measures*, (3) inform the *Complainant* of the availability of *supportive measures* with or without the filing of a *Formal Title IX Sexual Harassment Complaint*, and (4) explain to the *Complainant* the process for filing a *Formal Title IX Sexual Harassment Complaint*.

Further, the Title IX Coordinator will analyze the report to identify and determine whether there is another or an additional appropriate method(s) for processing and reviewing it. For any report received, the Title IX Coordinator shall review Board policies 2:260, *Uniform Grievance Procedure*; 5:20, *Workplace Harassment Prohibited*; 5:90, *Abused and Neglected Child Reporting*; 5:120, *Employee Ethics; Conduct; and Conflict of Interest*; 7:20, *Harassment of Students Prohibited*; 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*; 7:185, *Teen Dating Violence Prohibited*; and 7:190, *Student Behavior*, to determine if the allegations in the report require further action.

Reports of alleged sexual harassment will be confidential to the greatest extent practicable, subject to the District's duty to investigate and maintain an educational program or activity that is productive, respectful, and free of sexual harassment.

Formal Title IX Sexual Harassment Complaint Grievance Process

When a *Formal Title IX Sexual Harassment Complaint* is filed, the Title IX Coordinator will investigate it or appoint a qualified person to undertake the investigation.

The Superintendent or designee shall implement procedures to ensure that all *Formal Title IX Sexual Harassment Complaints* are processed and reviewed according to a Title IX grievance process that fully complies with [34 C.F.R. §106.45](#). The District's grievance process shall, at a minimum:

1. Treat *Complainants* and *Respondents* equitably by providing remedies to a *Complainant* where the *Respondent* is determined to be responsible for sexual harassment, and by following a grievance process that complies with [34 C.F.R. §106.45](#) before the imposition of any disciplinary sanctions or other actions against a *Respondent*.
2. Require an objective evaluation of all relevant evidence - including both inculpatory and exculpatory evidence - and provide that credibility determinations may not be based on a person's status as a *Complainant*, *Respondent*, or witness.
3. Require that any individual designated by the District as a Title IX Coordinator, investigator, decision-maker, or any person designated by the District to facilitate an informal resolution process:
  - a. Not have a conflict of interest or bias for or against complainants or respondents generally or an individual *Complainant* or *Respondent*.
  - b. Receive training on the definition of sexual harassment, the scope of the District's *education program or activity*, how to conduct an investigation and grievance process (including hearings, appeals, and informal resolution processes, as applicable), and how to serve impartially.
4. Require that any individual designated by the District as an investigator receiving training on issues of relevance to create an investigative report that fairly summarizes relevant evidence.
5. Require that any individual designated by the District as a decision-maker receive training on issues of relevance of questions and evidence, including when questions and evidence about the *Complainant's* sexual predisposition or prior sexual behavior are not relevant.
6. Include a presumption that the *Respondent* is not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.
7. Include reasonably prompt timeframes for conclusion of the grievance process.
8. Describe the range of possible disciplinary sanctions and remedies the District may implement following any determination of responsibility.
9. Base all decisions upon the *preponderance of evidence* standard.
10. Include the procedures and permissible bases for the *Complainant* and *Respondent* to appeal.
11. Describe the range of *supportive measures* available to *Complainants* and *Respondents*.
12. Not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege, unless the person holding such privilege has waived the privilege.

## Enforcement

Any District employee who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action up to and including discharge. Any third party who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be addressed in accordance with the authority of the Board in the context of the relationship of the third party to the District, e.g., vendor, parent, invitee, etc. Any District student who is determined, at the conclusion of the grievance process, to have engaged in sexual harassment will be subject to disciplinary action, including, but not limited to, suspension and expulsion consistent with student behavior policies. Any person making a knowingly false accusation regarding sexual harassment will likewise be subject to disciplinary action.

This policy does not increase or diminish the ability of the District or the parties to exercise any other rights under existing law.

## Retaliation Prohibited

The District prohibits any form of retaliation against anyone who, in good faith, has made a report or complaint, assisted, or participated or refused to participate in any manner in a proceeding under this policy. Any person should report claims of retaliation using Board policy 2:260, *Uniform Grievance Procedure*.

Any person who retaliates against others for reporting or complaining of violations of this policy or for participating in any manner under this policy will be subject to disciplinary action, up to and including discharge, with regard to employees, or suspension and expulsion, with regard to students.

Dear Esteemed Members of the Board of Education,

This year, members of our Future Business Leaders of America (FBLA), under the direction of adviser Mr. Jon Schaap, performed very well at the Northern Area Regional Competition on Friday, January 17, 2025. In total, 29 members of our group qualified to attend the FBLA State Competition in Springfield, Illinois.

The current plan is to spend March 27th through March 29th in Springfield with the FBLA group. Students and chaperones will stay overnight on both Thursday and Friday night and travel home on Saturday, March 29th at the conclusion of the competition. Mr. Jon Schaap will attend the competition as the adviser, as well as an additional chaperone.

I have attached the competitor list and a spreadsheet with projected costs for the overnight trip for your perusal. We wholeheartedly appreciate your support of FBLA and of our student competitors.

You have been so supportive of our student groups and we'd love the opportunity to bring home a state award this year to Grant Community High School. Thank you for your time and your consideration.

Sincerely,

*Kevin E Geist*

Dear Esteemed Members of the Board of Education,

This year, members of our Special Olympics team, under the direction of Head Coach Ms. Allison Barker and Assistant Coach Jordan Alexander, performed well by qualifying for the State Competition. In total, 12 athletes qualified to attend the Special Olympics of Illinois State Competition in Bloomington, IL.

The current plan is to arrive Friday, March 7 in Bloomington/Normal with the Special Olympics group. Students and chaperones will stay overnight Friday through Saturday and travel home on Sunday, March 9 at the conclusion of the competition. Both Allison Barker (Sponsor/Head Coach), Jordan Alexander (Co-Sponsor/Asst Coach) and one other chaperone will attend the competition.

Attached is a spreadsheet with projected costs for the overnight trip for your perusal. We wholeheartedly appreciate your support of our Special Olympics student competitors.

You have been so supportive of our student groups and we would love the opportunity to bring home state awards this year to Grant Community High School. Thank you for your time and your consideration.

Sincerely,

*Kevin E Geist*

February 12, 2025

Dear Esteemed Members of the Board of Education,

Members of our Speech Team performed very well at Regionals during the weekend of February 8 and competed at the Sectional contest during the weekend of February 14 and 15. Since results of this competition were unknown at the time of this letter's submission, we are proactively requesting approval for an overnight trip to the IHSA State Speech Tournament in Peoria, Illinois between Thursday, February 20 and Saturday, February 22. All state qualifiers will be accompanied by Head Coach Trisha Crambes and Assistant Coach Marissa Myers. The projected cost to the district will be \$112.39 per student competitor and \$561.81 per coach.

We are requesting Professional Leave for Trisha Crambes and Marissa Myers after TEAM on Thursday, February 20 and all day on Friday, February 21. This allows the Speech Team to arrive, check in, and rehearse before dinner time on Thursday, February 20 to prepare for the next morning's competition.

Speech finals and awards wrap-up at approximately 9:00pm on Saturday, February 22. Taking a four-hour commute into account, we are requesting a stay on Saturday, February 22 to avoid arriving back at approximately 1:00am.

We are asking the district to cover the cost of tournament registration, activity bus fuel, hotel accommodations, parking, and sponsor/student food expenses. Trisha and Marissa will ensure that two chaperones are present to supervise and assist students throughout the entire trip.

The students are extremely excited about this opportunity to represent GCHS at the state tournament. You have been so supportive of our student groups and we would love the opportunity to bring home a state trophy this year to Grant Community High School. Thank you for your time and your consideration.

Sincerely,

*Kevin E Geist*

February 11, 2025

Dear Dr. Sefcik and District 124 School Board,

I am writing to inform Grant Community High School District 124 and the school board that I will be resigning from my role as an English teacher and will not be returning for the 2025-2026 school year. This decision did not come lightly, but at this time in my life the needs of my family require more of my time and attention than what I can give as a full time working educator.

I deeply appreciate the board for affording me the 1 year leave to determine if this is the right path for me. My concerns for my family were complex and by removing the anxiety of having to resign with uncertainty of how I would cope with letting go of an identity that was deeply entwined into my entire being allowed me the opportunity to fully commit myself to explore a

I cannot thank Grant Community High School and the administration enough for the level of support and grace they have given me in this decision making process. The amount of empathy and consideration for my circumstances has been truly touching and meaningful to me and a testament to the role Grant Community High School has played throughout my tenure in the district.

I can firmly say my time at Grant Community High School has been and will always be the highlight of my professional career. Grant is a place where people can grow as professionals. Through the support, inventiveness, and care of administrators I was able to accomplish goals I would have only dreamed of in other environments and I was constantly challenged to reframe my thinking in order to move beyond my limits. Beyond administration the staff at Grant is an endless fountain of inspiration and joy for their peers. The genuine investment they all show for the well being of others is a unique and critical attribute that makes Grant such a special place to work.

I am honored to have been able to call myself a Bulldog and I am endlessly grateful for the relationships I have made and the opportunities that were given. Thank you for everything.

Sincerely,

Kristina Maestranzi

Dear Kevin Geist,

I hope this letter finds you well. I am writing to formally resign from my position as the choreographer for the upcoming spring musical at Grant High School, effective immediately.

Unfortunately, due to some family matters that require my immediate and ongoing attention, I am no longer able to dedicate the time and energy necessary to this important role. This decision was not made lightly, as I have thoroughly enjoyed working with the talented students and being part of the school's creative endeavors.

I deeply regret any inconvenience this may cause and am committed to helping ensure a smooth transition. Please let me know how I can assist in finding a replacement or preparing materials for someone to step into the position.

Thank you for the opportunity to work with such an inspiring group of young performers. I am grateful for the experience and the opportunity.

Sincerely,

Brooke K. Nagra

# MEMORANDUM

To: Christine Sefcik, Ed. D., Superintendent  
From: Lily Wu, Accounting and Fiscal Coordinator  
Date: February 20, 2025  
RE: Banking Request for Proposals

## EXECUTIVE SUMMARY

With the changing financial market and general frustration with our current banking vendor, the Business Office initiated a banking services request for proposal (RFP) to explore our options for maximizing both our financial returns and the functionality of our banking services.

## BACKGROUND

---

Due to the influences of the pandemic and soaring inflation, recent years have seen high federal funds rates. The federal funds rate is the benchmark used to influence how much consumers pay to borrow money and how much consumers are paid to save money. The Federal Reserve sets the federal funds rate, also known as the fed funds rate, in efforts to steer the country's economy towards goals of maximum employment and stable prices. Lower rates help boost household finances resulting in incentivized spending, thus boosting economic growth and hiring. Higher rates disincentivize big ticket purchases or investments that require financing, resulting in lower consumer demand or business expansions.

Recently following the COVID-19 pandemic, the fed funds rate fell to historic lows of 0-0.25%. However, in 2022, Federal Reserve officials began to quickly raise interest rates to control post-pandemic inflation. The fed fund rate ultimately reached a high of 5.25-5.5% in late 2023. In December 2024, the fed funds rate was 4.25%-4.5%. The Federal Reserve chairman has stated that they (the Federal Reserve) anticipate fewer rate cuts for 2025<sup>1</sup>. So, given the current climate of high rates, this would be an opportune time to see if the District can earn more interest income from our checking accounts.

## REQUEST FOR PROPOSAL

---

Because the District makes daily bank deposits, we prioritized choosing a bank with branch offices near the district office. In surveying bank branches within a five-mile radius, eight different banks were identified. Of those, six responded to our requests to receive contact information for a banking services RFP. Banking RFPs were emailed to those six banks. Of those six, five submitted proposals: J.P. Morgan Chase, BMO, Fifth-Third Bank, Wintrust/State Bank of the Lakes, and Old National Bank.

### Requirements:

Highlighting the major requirements of the District's RFP:

- All banks submitting proposals were required to offer a three-year contract, renewable year to year thereafter
- 100% collateralization for all our bank accounts meaning all our money is guaranteed secure at all times;
- Fraud Prevention Services
- Remote deposit capabilities for Check deposits.
- Fiscally, we asked for interest returns at the fed funds rate plus 15 basis point (or 0.15%)
- Each bank was asked to complete a cost proposal outlining fees charged for various common banking functions based on average data from the District's past years activity

**Evaluation:**

A committee was formed to evaluate the banking proposals. The committee was made up the Business Manager, Accounting and Fiscal Coordinator, Payroll/Benefits Coordinator, and Bookkeeper. Each member of the committee represents a major area of responsibility in the Business Office that utilizes different portions of the banking process. In order to accurately evaluate each bank, the committee completed the following:

- Responded to questions from prospective bidders.
- Reviewed in depth the submitted proposals.
- Reviewed bank locations and service records.
- Narrowed the five proposals received to the top three.
- Viewed bank presentations of general and online services.
- Conducted interviews of key bank personnel.

The five banks were narrowed down to three based on the following criteria:

1. The bank's ability to meet the major areas requested in the RFP
2. The interest earnings the bank offered for our accounts.
3. The fees for services total.
4. The accessibility and completeness of the bank's on-line platform

Three finalists were interviewed. The chart below summarizes some of the major points the committee evaluated. As a whole all three banks were able to offer the services the committee identified as necessary to perform financial duties for the District. There were some slight differences in a couple areas including processing times for sending payroll and digital transaction retention. The largest differences came down to the fees and interest earnings each bank offered.

Below is a summary of what each of the finalists had to offer Grant both in fiscal returns, annual fees, and non-fiscal benefits. For our financial analysis, we assumed an average daily balance of \$3,000,000 and a conservative Fed funds rate of 4.0% (current rate is 4.25-4.5%) for 12 months to estimate annual interest and fees. Finally, for reference, we noted that during the one-year period from Dec '23 to Dec '24 with our current bank, we earned \$24,558.49 after fees were assessed.

In summary, when we compare annual net earnings (interest earnings less fees) for all three banks, we see that Wintrust provides the best net earnings potential, almost \$10,000 more in annual earnings than Old National Bank and almost \$95,000 more in interest revenues than our current bank.

**RECOMMENDATIONS:** \_\_\_\_\_

Based on their accessible and comprehensive digital platform, high interest earnings, and low fees the committee recommends that the District adopt Wintrust/State Bank of the Lakes as the main depository for all District banking accounts, effective July 1, 2025.

Wintrust/State Bank of the Lakes is a local, established bank with a proven customer service track record. References from several other local school districts were overall positive touting good customer service and responsiveness of the bankers. Wintrust/State Bank of the Lakes is offering the District a three-year contract with the option to renew year to year thereafter. The contract ties the interest rate on the District's checking accounts to the Fed Funds rate of the previous month.
